Bob,
 Glad we could be good friends this year. And we will
 probably friends next year and the year after. Sorry about
 all your misfortunes with girls this year but try
 harder next year.

We had a lot
 of fun in
 Spanish,
 swimming,
 and
 Health.

This
 summer
 try to
 keep
 out
 of
 news
 papers.
 I don't
 want
 my

Lunchtime, Breaktime

Captions: 1. Mark Gilbert and Dan Hernandez talk over a drink. 2. Frank Acevedo, Charles Lamb, and Larry Brassfield give you their casual look. 3. When does the party begin? 4. Students shoot the breeze. 5. Todd Heller kills one for another point at a lunchtime volleyball game.

or Anytime

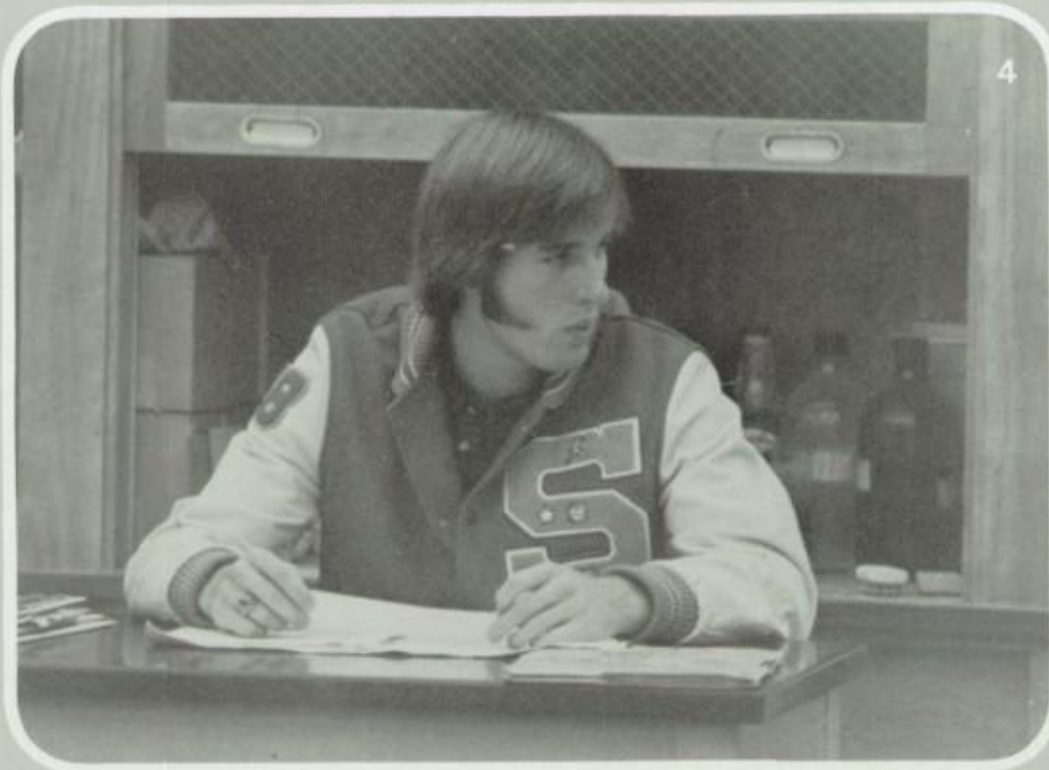

1. **Captions:** 1. Josie Navarro, Kelly Baker and Toni Osendorf relive the past. 2. Frank Thompson's first step. 3. "Miss" Robinson remains a flirt no matter what. Jess Leon's or Dru Bakken's. 4. Girl photographer gets their attention. 5. Campus life during homecoming week.

Some Work, Some Play

Captions: 1. During a CSF meeting, Foreign Exchange students relate their experiences to the members. 2. Huh? 3. Strike up the strings. 4. Tim Deckert concentrates deeply. 5. Jan Henry, Frank Rexach, and Doug Lalicker ham it up during a Madrigal session.

and Some Giggle All Day

Captions: 1. NHS officers talk about upcoming events. 2. Teresa Fabiny, Lisa Taylor, and Brent Smith celebrate the coming of their new-born babe. 3. Janet Mitchell, Lisa Dilly, and Cheryl Tracy, "Tee hee hee." 4. Beauty is in the eye of the beholder. 5. Students watch and listen.

Rebels Taking

Captions: 1. Whoops! Lets go the other way. 2. Spirited cheerleaders await the Varsity football team. 3. Dave Perez tips in another one for two more points. 4. Running back, Cappy Hartmann, scrambles on a kickoff. 5. Frank Thompson pays the price as the Rebels beat Magnolia.

Care of Business

Captions: 1. Allen Just takes a breather after running in the Cross Country League Finals. 2. Doug Lalicker sprints to the finish line as the crowd cheers him on. 3. Varsity football players cheer their team on to victory. 4. Tom Dorlis, "Watch out pins, here comes da' ball." 5. Our Alma Mater after one of our many victories.

Rebels Assemble

Captions: 1. Spirited Rebels cheer on at one of our many assemblies. 2. Kissmas Kisses for the kiddies. 3. T'was the night before Christmas. 4. Enthusiastic seniors show their spirit after pep assembly. 5. Rebel-Annes show their spirit by performing to a "Christmas Jazz Medley" at the Christmas Assembly.

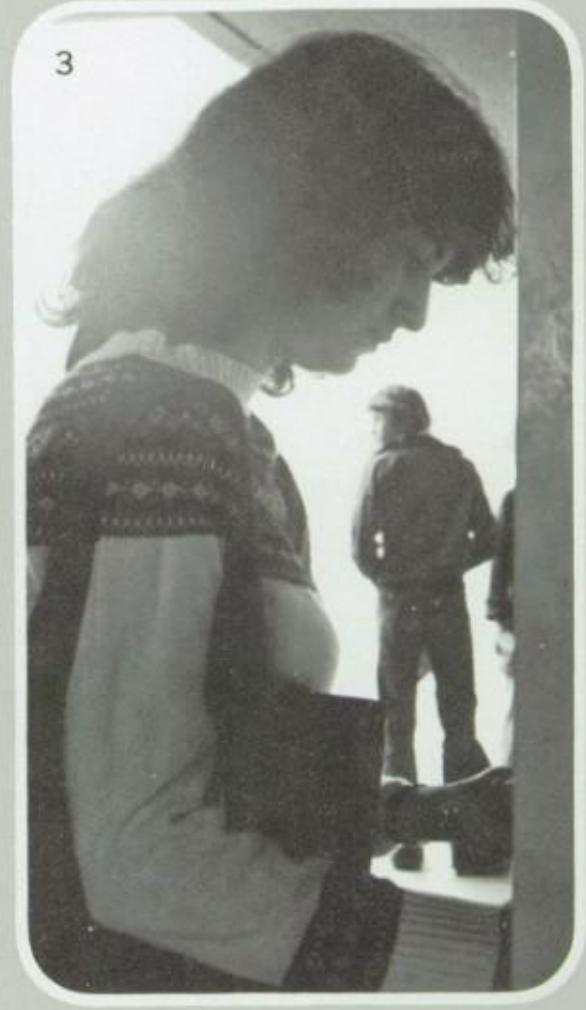

for Assemblies

Captions: 1. Rebels await the action. 2. Janet Mitchell, "Mmm Mmm good." 3. Stu Ashe, Mike Wall and Dave Gustafson, ham it up during their version of "Suzie Snowflakes," at the Christmas assembly. 4. Rebel-Annes perform to the Christmas Medley put on by the Madrigals and the Jazz Band. 5. Rebels show different emotions during an assembly.

When You Say Lunch

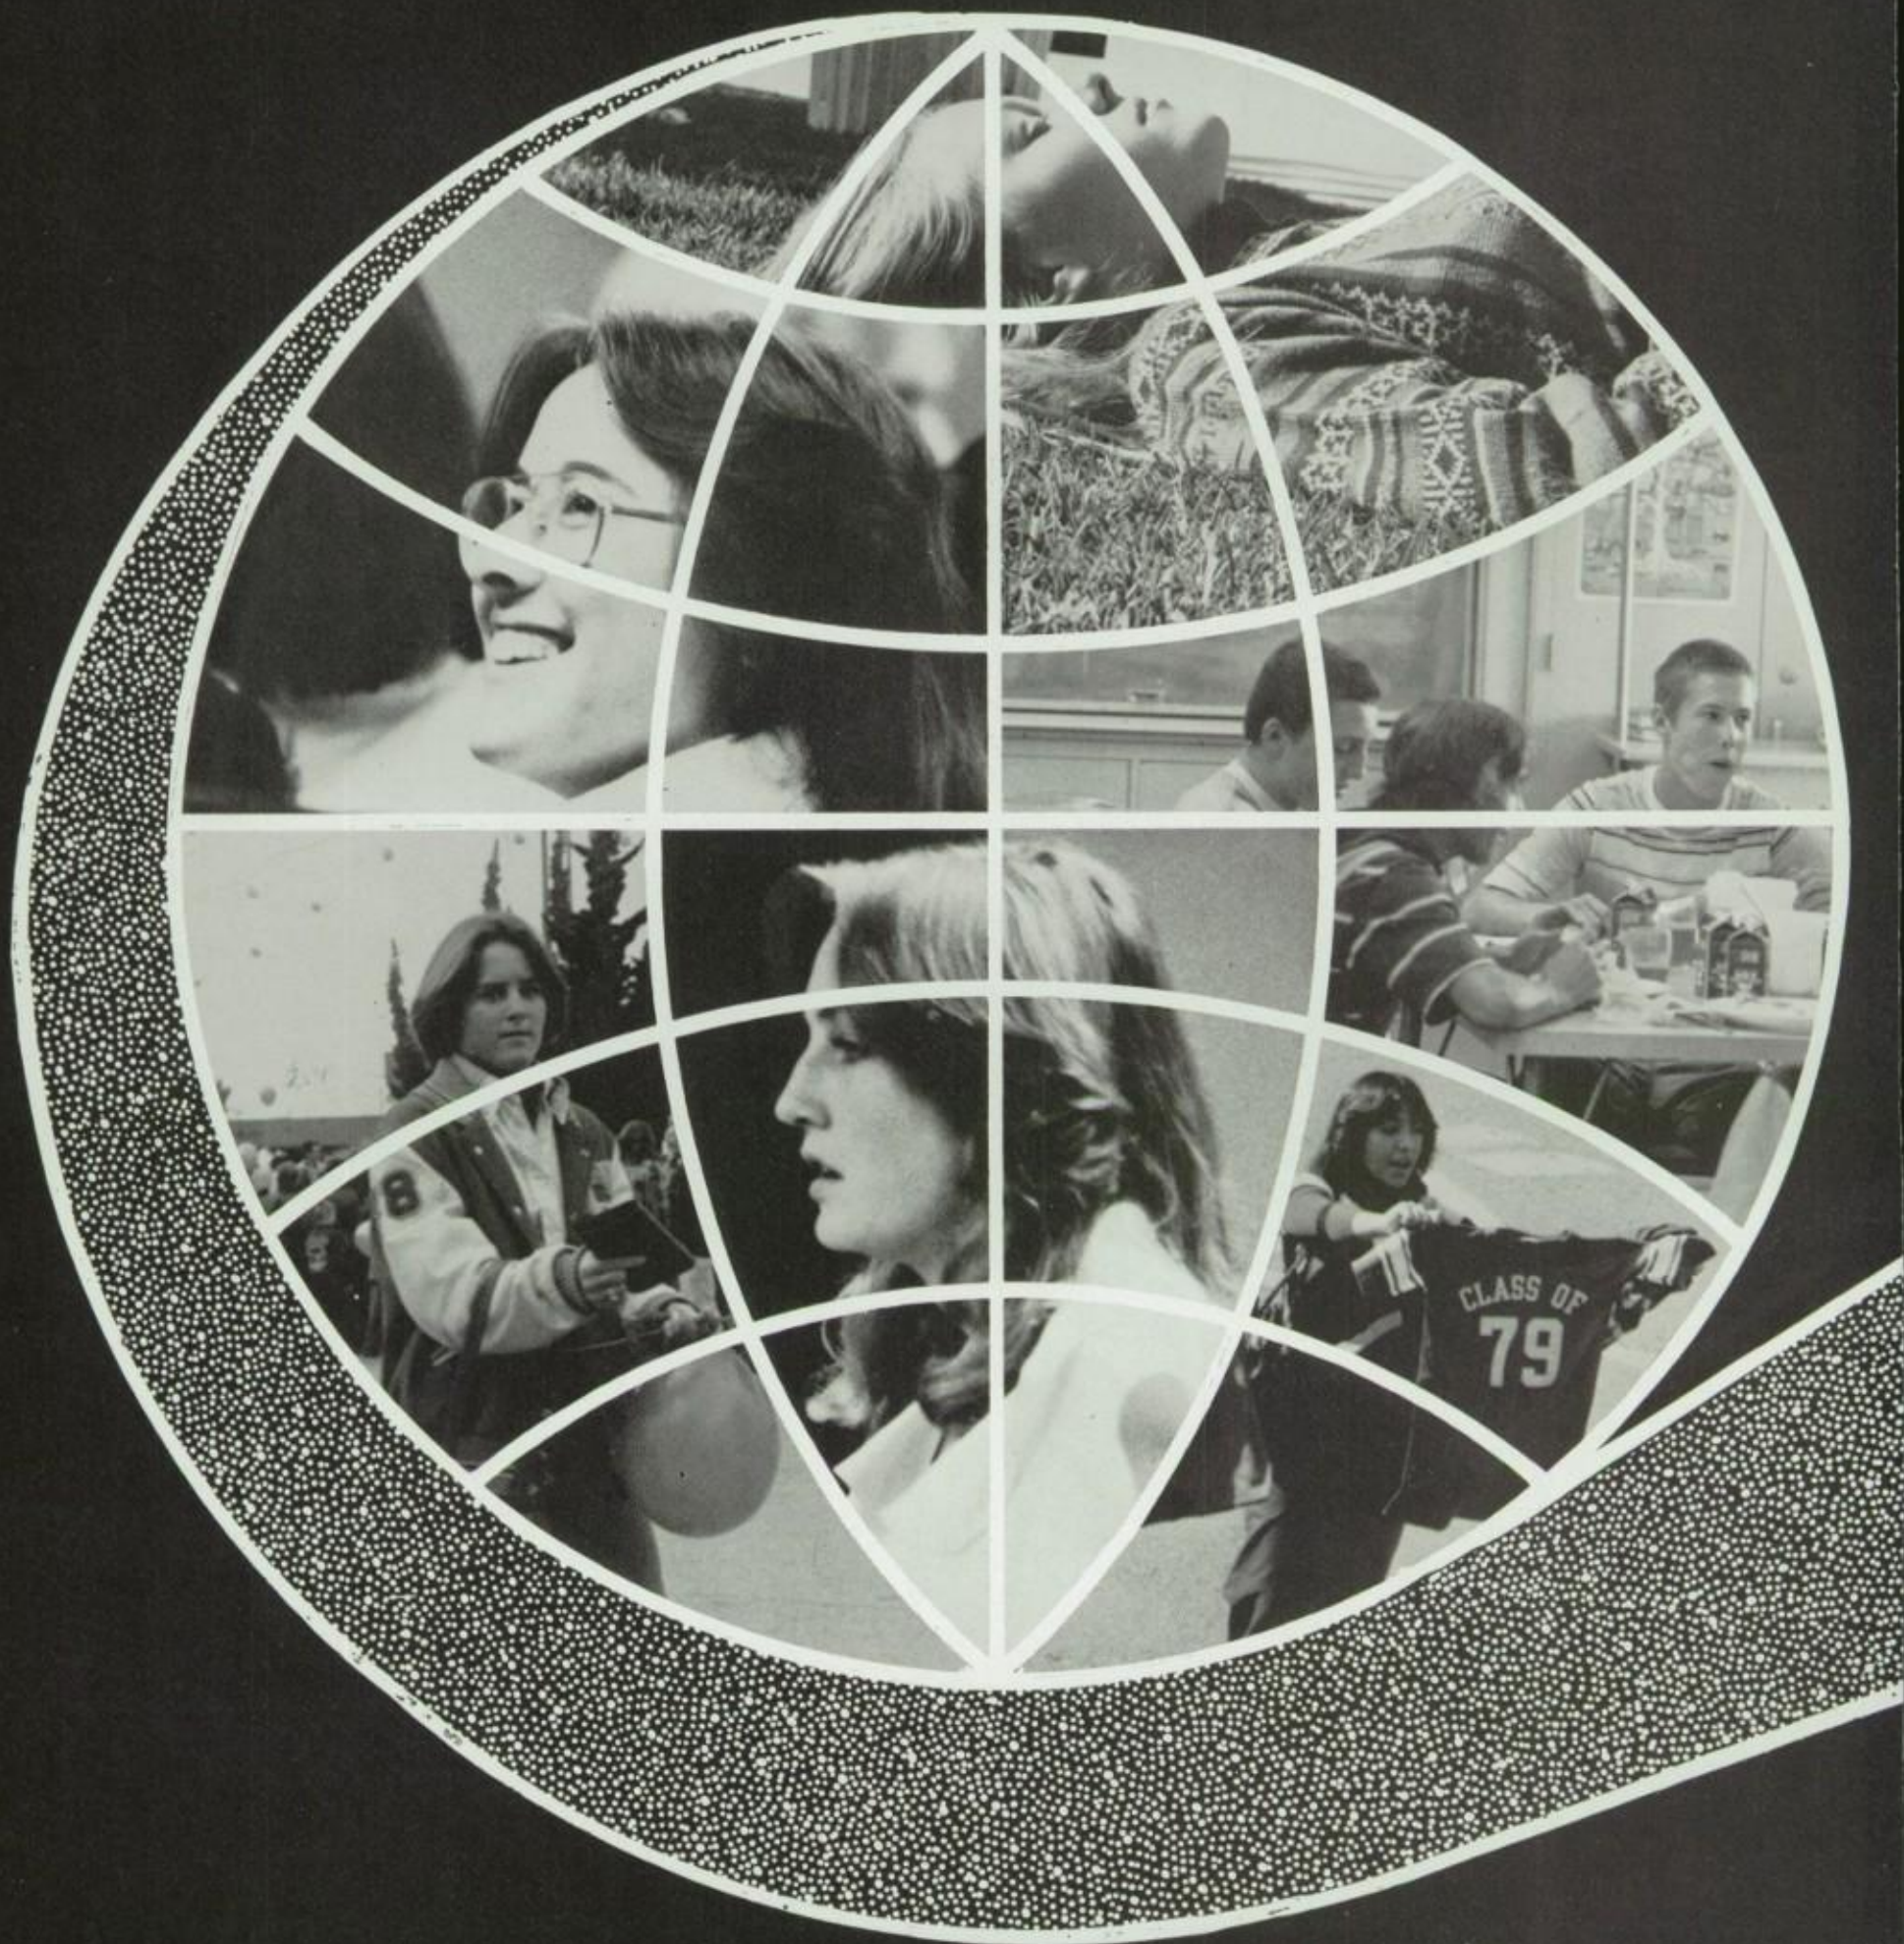

Captions: 1. Leslie Carter loves her punch. 2. Joe Padilla finds a comfortable spot. 3. Karen Amerkhanian, 36-24-36. 4. Dave Reed and Janese Hatheway react to a lunch of raw eggs differently.

You've Said It All

Captions: 1. Joe Hartmann wonders while wandering. 2. Cindy Brown's favorite game is fish. 3. Guess who? 4. Football "opponent" gets canned. 5. In memory of the teams that fell before the mighty Rebels.

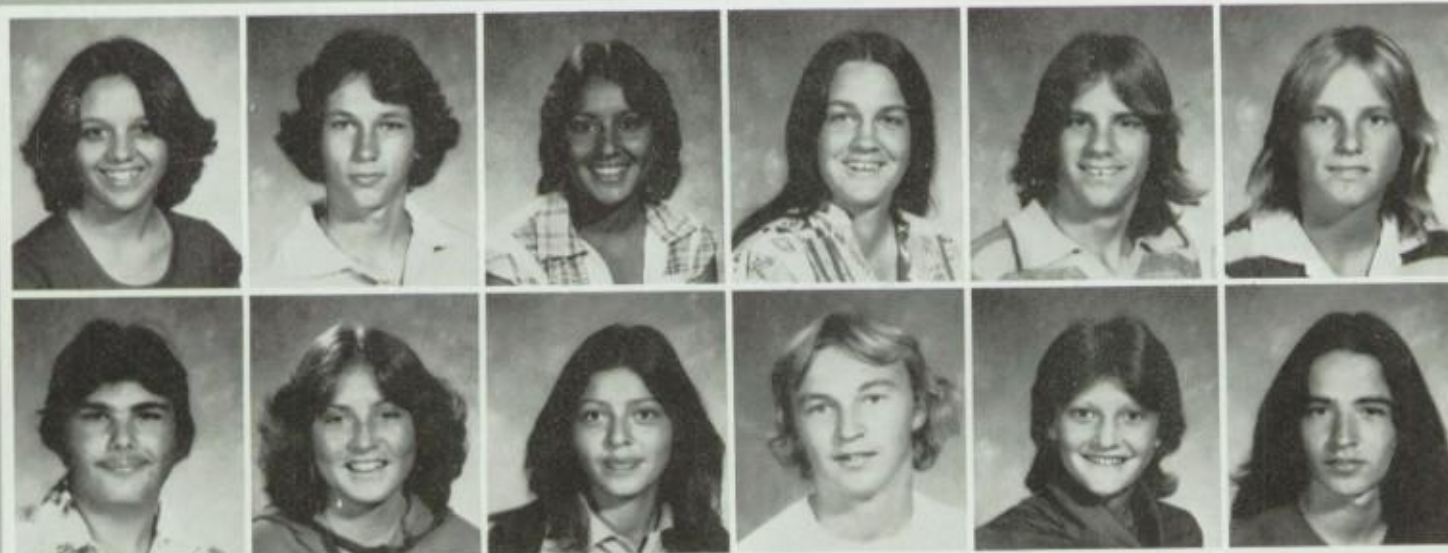

THE WORLD OF JUNIORS

Class of '79 Shows Spirit

THE WORLD OF LEADERSHIP

Interview With Mr. Avon Carlson

That's the Way It Was October 22, 1977

I. What is your opinion of the basic skills test given to the class of '80?

"People were tired of paying the high cost of education and having so many kids graduate that could not read, write or figure. So the big push came through law mandating that students pass proficiency tests before graduating with a diploma.

We are going back to the basics that we have more or less swept over because we have been spending our time on concepts.

We are about through with four period days. No longer can you sit in class and smile at a teacher and get a good grade."

II. How do you feel about the class cut and truancy problem?

Avon B. Carlson

"The class cut truancy problem is a result of, again, going back to the basics.

Boredom is the thing you hear about. The reason people are bored is because they are not willing to accept the responsibility and put forth the effort that it takes to read, write, and spell.

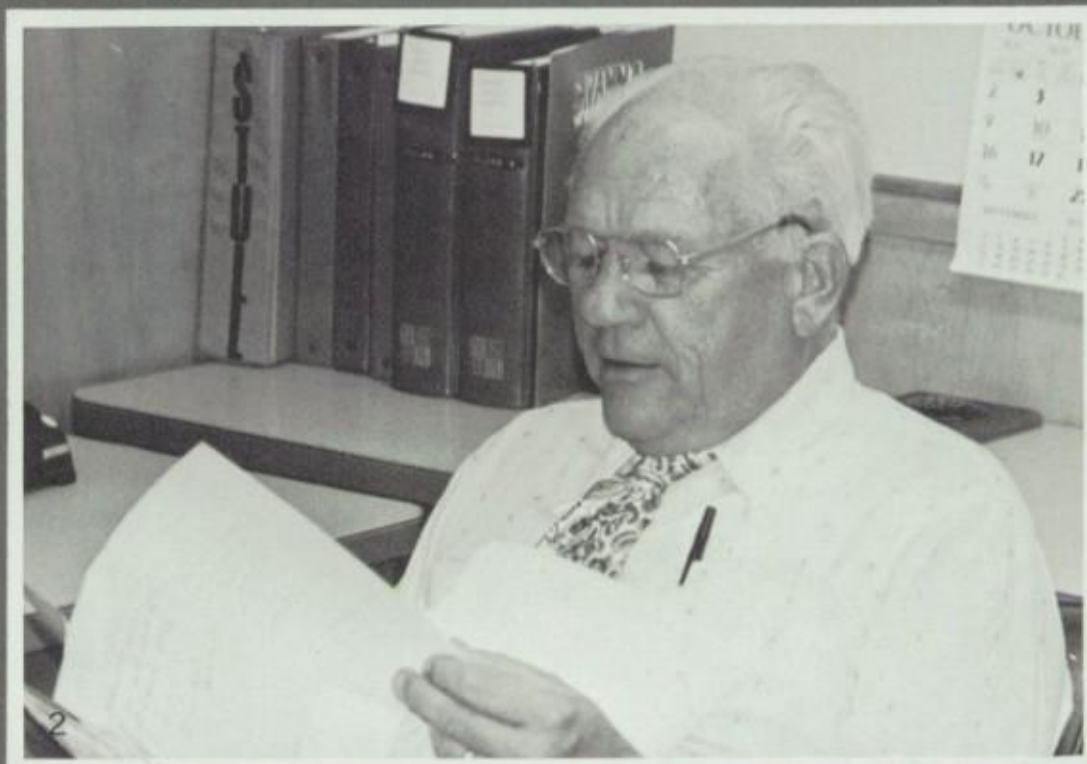

To put it simply the entire concept is that people have been given so much for so little effort for so long.

III. Do you feel students benefit from early graduation?

"Teenage period in our history is the period we are throwing off our controls of our parents and prepare for a life of our own. We become extremely impatient during this period. It is a very frustrating period for teenagers and for parents because they don't know what to expect. You are only a teenager a very short period of time. The real fun time of your life should be now.

If you have to give all of this up for a job, I feel early graduation is a bad deal. If you have an opportunity to go to a Junior College or University, then I say, 'Lets, go,!' but if you are going to go out and buy a car, I think you need to set your values and priorities.

There are things I hope for teenagers. One is that they are allowed to be teenagers, to have a strong moral code temptation is greater in that experimental state. That is when every body is going to try o do anything. You have to have a strong moral code to withstand pressure and say no to a lot of things."

Secretaries Are Dedicated

In every school there are people who do not always receive the credit and recognition due to them. Two of these very dependable people were Mrs. Ross and Mrs. Hurst. Mrs. Ross was the principal's secretary. She worked along with Mr. Carlson during the year. Mrs. Hurst's official title was PBX Operator and Main Office Secretary. She ran the main office and was in charge of the switchboard, and handling the mail. Both Secretaries really enjoyed their work and just loved being a part of Savanna.

Mr. Roesener

Mr. Roesener was our returning assistant principal. He worked closely with the teachers and counselors. He was in charge of those students whose last names began with the letters M through Z. Mr. Roesener's work consisted of planning the master schedule, registration, and student discipline. Mr. Roesener helped Savanna a great deal this past year.

Last year was also the first year both assistant principals operated out of the same office. This was done to coordinate communication between Mr. Taketa and Mr. Roesener.

Captions: 2. Mr. Taketa, busy at work. 3. Mr. Taketa enjoys talking to students.

Mr. Taketa

Mr. Taketa was our new assistant principal this past year. He came to us from Loara High School. Mr. Taketa had a busy year. He was in charge of disciplining those students whose last names began with A through L. Besides that, he handled building and maintenance, extracurricular activities, budget control, classified personnel, student teachers, student transportation, attendance, civil defense and home teachers. He also supervised the campus, the instruction of students, the food service program and athletics. Yes, Mr. Taketa did have a busy year.

Debi Brown ASB President

I feel very proud to have served as your Student Body President during this past year. It has been an exciting and rewarding year for me.

I would like to wish much success and happiness to the graduating class of '78, and to the future graduating classes. I hope that your following years here at Savanna bring to you as much happiness and fulfillment as they have brought me. I will always be a Savanna Rebel.

Executive Board

Having been a member of the Savanna Executive Board was indeed an honor for anyone who could have taken the hard work, the time and the pressures which these people endured. Looking around it seemed that these busy people were everywhere at once. They either attended or participated in sport events, assemblies and shows. Most of their time, however, was spent working in the Activities Office. The Board consisted of the ASB officers, the Girls' and Boys' League presidents and the presidents of each class. They met every second period with the rest of the Student Council and discussed upcoming events and new ideas. Along with Council, the Board participated in events such as the 1977 Christmas Assembly, Homecoming Week, Leadership Camp, the Dating Game, and pep assemblies. They did a good job during the year and proved themselves to be outstanding Rebels.

Spirited Leaders

The student body of the '77-'78 school year was the most spirited school year that Savanna has had in a long time.

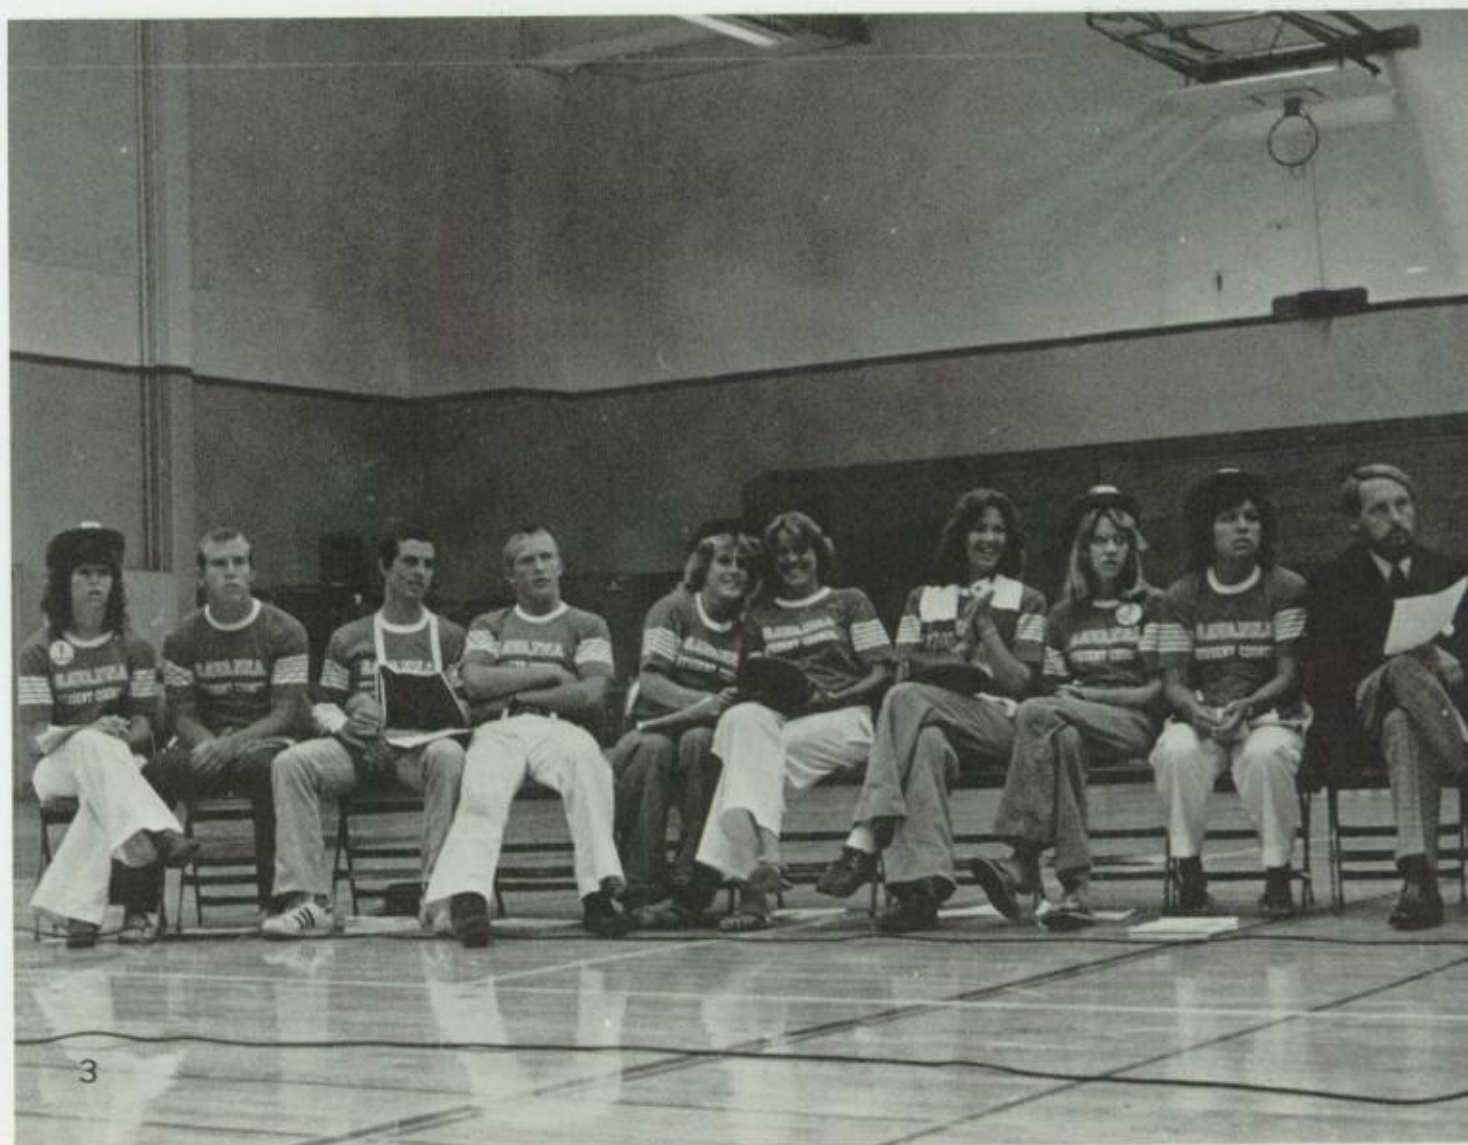

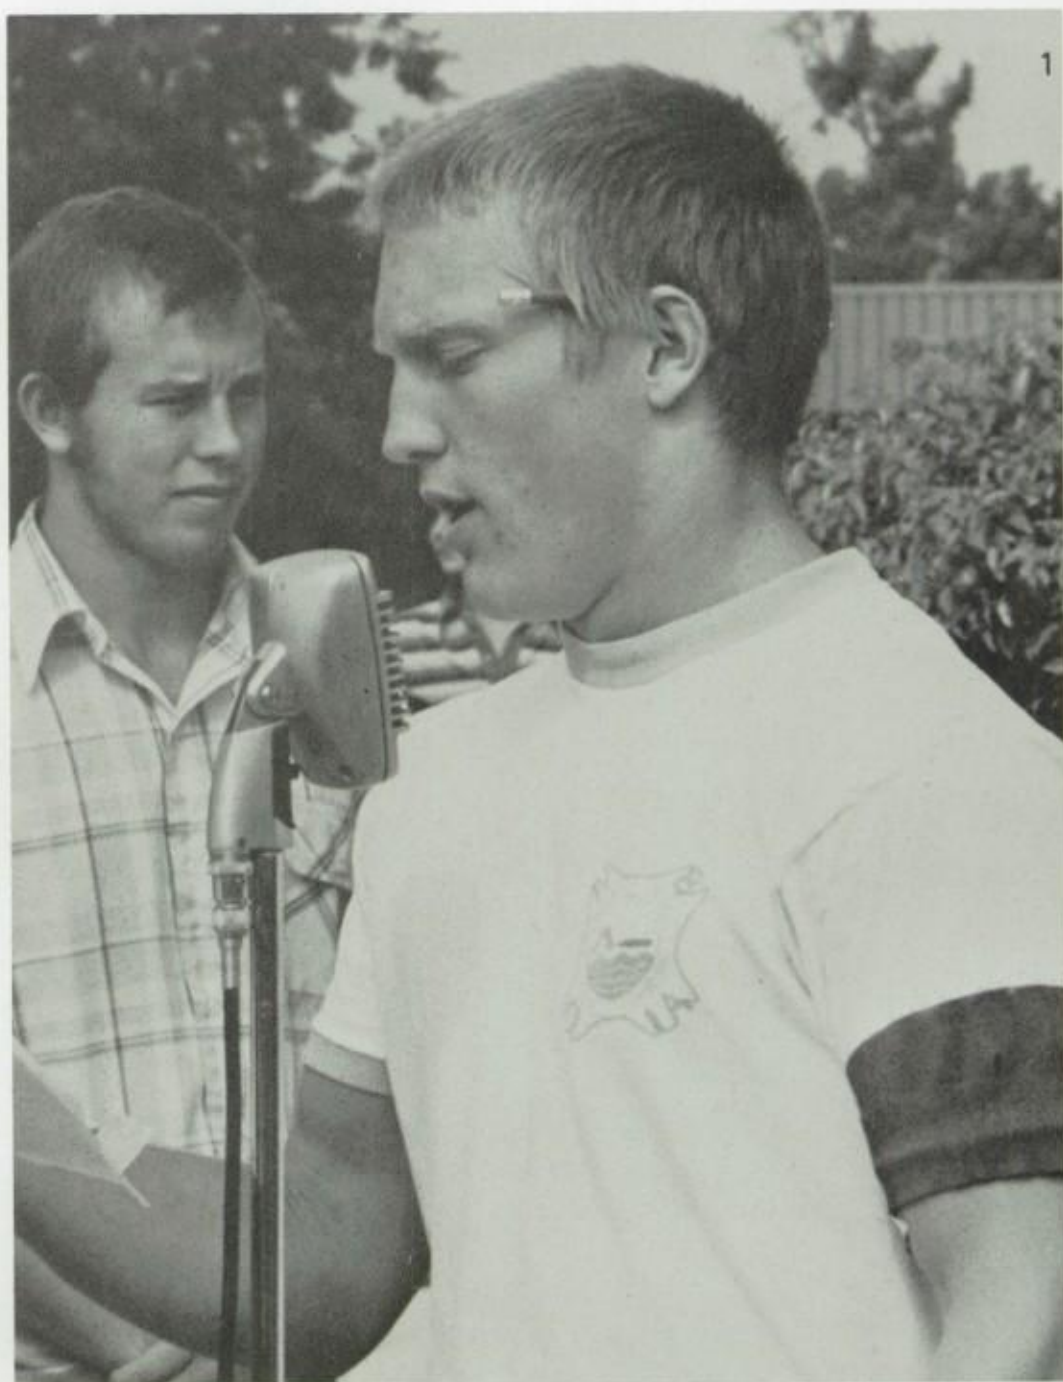

Most of this spirited success should be accredited to the '77-'78 Student Council. Under the direction of Mr. Bob Maib, the Student Council planned many fun and exciting activities for the whole student body to participate in. At the beginning of the year the students were welcomed with a "Welcome Back Dance" held in the gym. Each of the faculty members was welcomed back with an apple to help them get through the year. Other activities were planned, such as "Fright Night," Homecoming Week with its games and usual strange attire, and after game dances.

During the summer, the council went to Santa Barbara College for the Annual Leadership Camp. It lasted three days and when they returned, they had a lot of new ideas on how to promote school spirit. During Camp they also participated in a Volleyball Tournament and, of course, took first place.

The Savanna Student Council deserves a big round of applause for everything they did to make the most of the '77-'78 school year.

Congress Has Rebel Pride

The Savanna Student Congress was led by Congress President, Mike Wall, and Congress Secretary, Suzanne Maese. It was composed of two representatives from every first period class. Congress meetings were held every month. During these meetings information was passed on from club president, council officers, and faculty to the class representatives. The representatives passed on the information to their first period class. Congress was mainly involved with the United Fund Drive held in February. Congress was very dedicated this past year and did a good job by keeping the student body informed and helping the school.

Congress: Dawn Adams, Shadara Anderson, Cliff Aames, Lupe Aragon, Becky Beisner, Sterling Blake, Bruce Blouse, Stephanie Bommerito, Espy Caulderon, Tawana Cardwell, DeDe Campbell, Sherry Chase, John Chewnig, Steve Crain, Tom

THE WORLD OF ACADEMICS

Heavy Thinking

The English Department, headed by Mr. Shore, continued the teaching of basic grammar skills to all seniors, juniors, and sophomores. The sophomores received useful new books and workbooks to help with their study of the necessary basic skills. Some of the skills emphasized were word structure analysis, paragraph writing skills, and the eight basic parts of speech.

Captions 1. Gail Kanitz works on her english report. 2. Karen Wallace concentrates before an exam. 3. Mark Gilbert, Joe Hartman, and Vivian Brady, listen with interest.

Time to Learn

This year's business classes proved to be active. Intermediate and Advanced typing were rewarded with 25 new electric IBM typewriters. Another new item was a cash register in Business Machines. The Business Department headed by Mr. Richey, also offered classes in shorthand, student store, work experience, model office and many others.

Captions. 1. Kim Turner doesn't seem to get the right answer. 2. Robbie Lukens works hard on her assignment. 3. Students take advantage of co-ed business classes. 4. Curt Renshaw works on building his speed.

Skills Develop

For those students whose future included vocation, ROP was the program that opened up a student's future. Mrs. Brauner was ROP's representative. With the scarcity of jobs, it was rewarding to know that there was a program that allowed students to get a chance in various fields of work.

Future Jobs

Special activities scheduled this year were field trips to the Wild Animal Park in San Diego and the Furniture and Clothing Mart in L.A. Some of the courses offered were: Banking, Cosmetology, Landscaping, Auto Mechanics, Law Enforcement, and many others.

Read on

This year's Reading Department was under the leadership of Mrs. Bosna, the Department Chairperson. The students who enrolled used the film projector, and teaching machines such as the controlled reader, Teach-x, and the overhead projector. Outside speakers from various vocational fields spoke.

Rebs Cook on

The Home Economics Department was under the leadership of Mrs. Wallace, who offered eight different courses. Some of them were Culinary Technique, Creative Cooking, Environmental Living and Fashion Technique. Those who enrolled went on field trips to Brooks College, Farmers Market in L.A. and Furniture Market. The courses offered many different skills that will help them in the future.

Learning About Themselves

The Health Department offered two courses this past year. Mr. Sanders, the Department Chairman, used films and field trips for both classes. Health which was required for all Sophomores and Marriage and the Family which provided many different viewpoints to the Seniors who enrolled.

Captions: 1. Sophomore looks interested. 2. Terri Martinez finds Health amusing. 3. Sophomores listen to lecture.

Beep! Beep!

Drivers Education was a required course for all sophomores. The semester was split into two quarters. First quarter was spent in the classroom where students watched films and read the book "Sportsmanship Like Driving." The second quarter was spent with students driving Computerized simulators and driving real cars.

Opening Doors

Under the dedication of Mr. Ball, the Department Chairman, the students in the Special Education program learned the basic skills of Math, English, and Social Science. All students received tutorial help in academic areas. The enrolled students went on field trips to plants and factories to acquaint themselves with vocational opportunities, they also made extensive use of teaching machines and individualized programmed instruction.

Captions: 1. Tom Rookes and Jon Farris study their assignment. 2. Karla Patton looks on the bright side of things. 3. Tom Kern and Robert Smith try to solve their problem. 4. Mr. Ball and Jon Farris work together.

Widening Horizons

This past year's Foreign Language Department offered both Spanish and French. Several levels were taught to those interested students. The classes had outside speakers and discussions to make learning easier. With the help of Mr. Koskela, the Department Chairman, field trips and other special organizations were organized.

Captions: 1. Veronica Duarte, Espy Calderon, and Teri Walsh work hard to finish an assignment. 2. Joan Sullivan, Alexandra Alva, and Dennis Moore study before the test. 3. French students work to widen their vocabulary.

Beautiful Noise

Mr. Gunderson, as director of the Marching Band, Pep Band, Concert Band, Jazz Ensemble, and Chamber Orchestra, led these Rebels to an active and fulfilling year. Mt. Carmel Competition and the Band and Drill Team Spectacular were two of the major contests attended. Our band sponsored the Savanna Jazz Festival and for the first time, the Savanna Field Show Tournament.

Captions: 1. Lee and John show their rhythm. 2. Mark strums his guitar. 3 Kevin struggles to reach the keys. 4. Band members practicing to be perfect.

Vocal Power

For all who had the interest, classes offered by the Instrumental Department were open to help students improve their vocal talents. According to the person's abilities, he or she could join one of the many choirs on campus, like the A Capella Choir or the Concert Choir. Entertaining performances were given by the choirs at the Savanna Pops Concert and Holiday in Music.

Captions: 1. Choir members singing a song. 2. Marianne and Lisa put their heart and soul into the song. 3. These Rebels are not singing for their supper, but for their enjoyment.

Science Experiments

The Science Department , under the leadership of Mr. Yinst, presented an interesting array of classes, projects and field trips. Some of the classes offered were Biology, Chemistry, and Life Science. Besides classroom work, the students learned from trips like a visit to Chevron Research Lab and even an overnight excursion to Joshua Tree National Monument.

Captions: 1. Tina Wold seems deeply engrossed in her experiment. 2. Rhonda contemplating the finer points of dissections. 3. Ray Hiemstra pours with exacting preciseness.

Helping Hands

Students who wished to learn basic office skills had an opportunity to get training right on campus through Savannah's clerical aid program. These pupils were taught the proper way to answer a telephone and file papers as well as other knowledge essential in running an office smoothly.

The most qualified students were chosen to be departmental aides. They proved to be a great help to both the teachers and fellow students.

Captions: 1. Diane Nelson catches up on homework. 2. Melanie Bayhurst is busy at work. 3. Pamela listens patiently to the caller waiting to aid him.

Brain Power

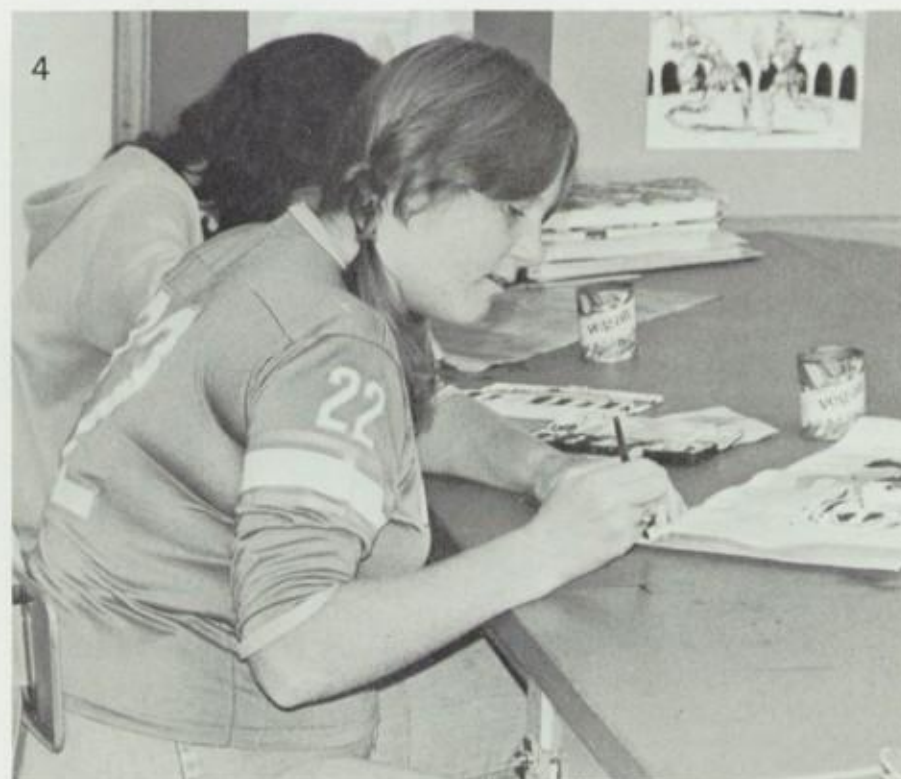

Mr. Ferguson, the head of the Mathematics Department, as well as the other teachers and students, had a successful year. Students could choose from the basics classes, Practical Math, Algebra, Geometry and Trigonometry, or the highest level which was Analysis.

Captions: 1. Linda Pace relaxes and puts her feet up after a hard day of math. 2. Mary and Josie put on a happy face for the camera. 3. Something besides math seems to have caught Kelly's attention.

Creative Works

Art students this year showed their creative abilities while having a great time. Classes offered ranged from Drawing and Painting to Ceramics and Leather. Pottery, paintings and leather items were a few projects undertaken during the year. Slides of previous works and filmstrips were shown to give inspiration to the artists.

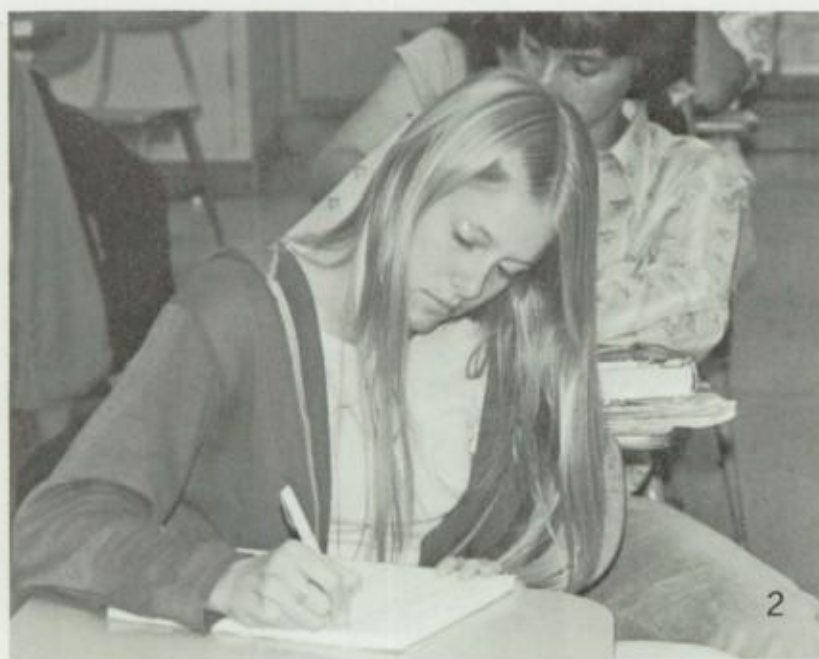

Captions: 1. Deanne beams over her masterpiece. 2. Diane Nagel and friend discussing their projects. 3. "Bev" seems to really like her vase. 4. Art students diligently working.

Making History

Social studies, under the chairmanship of Mrs. Buchanan, offered courses in current issues, anthropology, sociology, government, and others. Guest speakers, special projects, and field trips to CBS for an educational film preview added interest to the History classes.

Interest Shown

Industrial Arts, headed by Mr. Hoffman, offered several field trips, like the Flour Corporation in Newport Beach. The studious students were also inspired by outside speakers and exhibits at the Orange County Fair. Several courses offered were basic automotives, woodshop, drafting, and architecture. There were also more advanced classes in these areas.

Staying Active

The PE Department, under the chairmanship of Mr. Hicks, offered a wide variety of athletics. All classes were co-ed which made it more interesting for those involved. Students found PE a time to have some fun and exercise. Another new development this year was that juniors and seniors were not expected to take PE as long as they had enough credits.

THE WORLD OF STUDENT LIFE

September

September was the month everyone thought was still far away. The Rebels began to form clubs and start the activities. Football players practiced harder than ever. On campus, everyone was trying to adjust, talking about the loss of Elvis Presley, and cheering on our undefeated football team.

October

By October the Rebel spirit was sky high. The football teams were given full support by student clubs and organizations. Homecoming activities highlighted the month. Costume days, competitions and assemblies were held on campus. The Rebels celebrated the Homecoming victory at their first special dance of the year. "Homecoming 77".

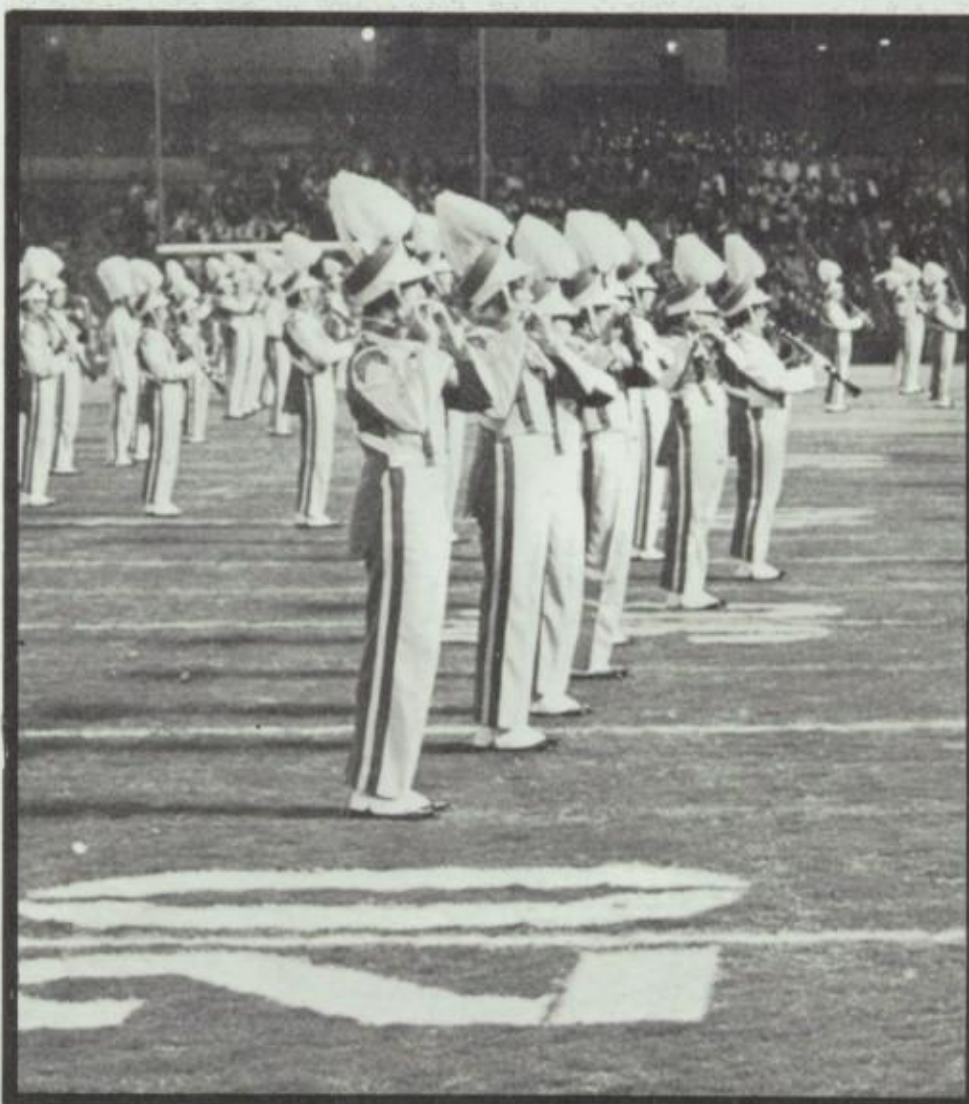

November

November brought the close of the football season and the start of many new activities. Campus organizations were busy with fund raising campaigns, various competitions, and community performances as they prepared for the holiday season. Seniors had their pictures taken and ordered graduation announcements. Thanksgiving was welcomed by all.

December

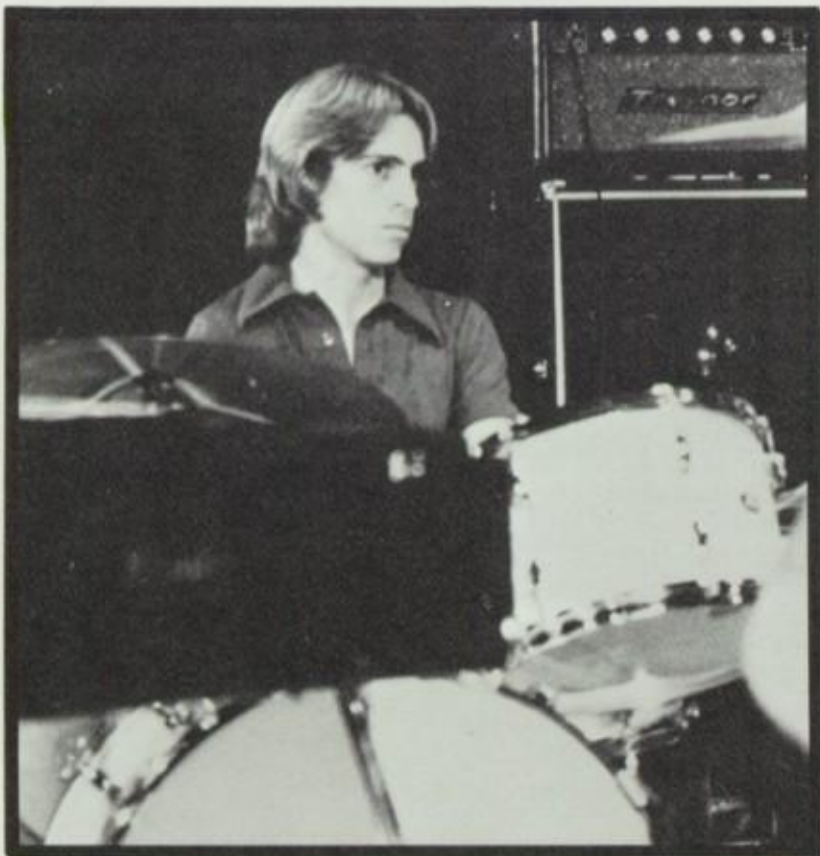

December was a busy month for everyone. The Rebel Band participated in several concerts. Members of the vocal groups sang at the annual "Holiday in Music". Clubs sold candy canes, fresh flowers, and ornaments for Christmas giving. Rebels attended an extra special holiday assembly for a final celebrating before Christmas vacation.

January

January brought a lot of cold, rainy weather with it. When school resumed, the sports programs was in full swing. The first semester finally came to a close, and the pressure of final testing was on once again. The long awaited Winter Formal was the highlight of the month and it brought about a welcome change from the classroom routine.

February

February marked the beginning of the second semester. Report cards were given, classes were changed and new Congress representatives were elected. Sports events were started again with renewed interest. The Rebel-Anne drill team brought back outstanding scores from the Miss Drill Team U.S.A. contest. The student body hosted a United Fund campaign to raise donations.

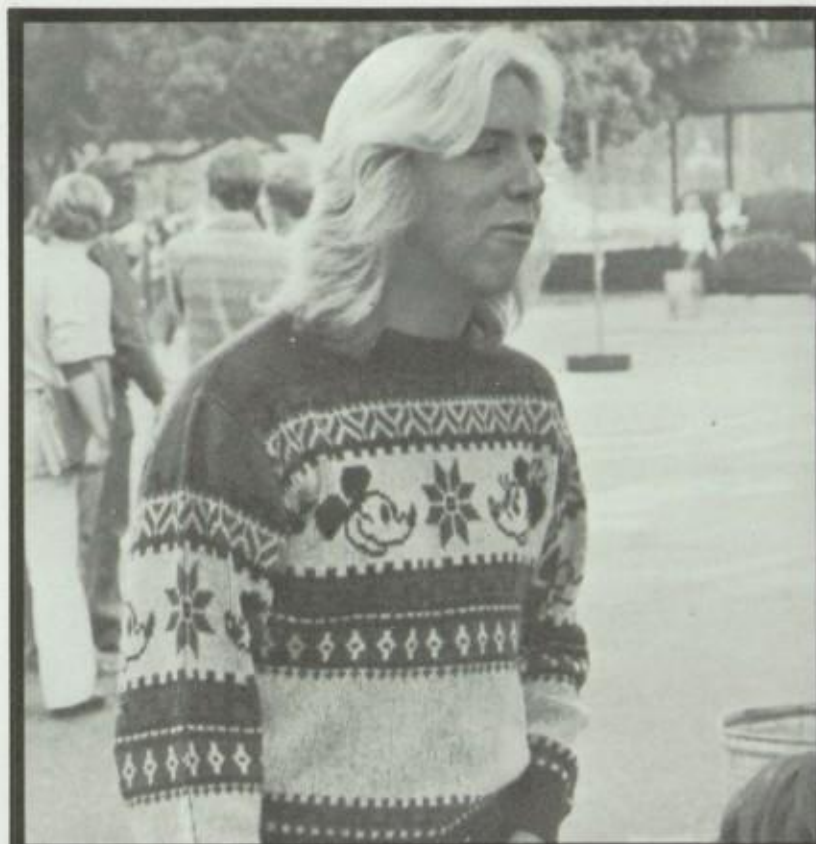

March

March brought with it clear, sunny skies. Track, basketball and tennis teams were busy with heavy competition. Band members joined in a musical concert for the community. GAA, NHS, and Science club sponsored various sales and try-outs were held for new cheerleaders. Girls' league hosted a "Sadie Hawkins" dance in mid-March.

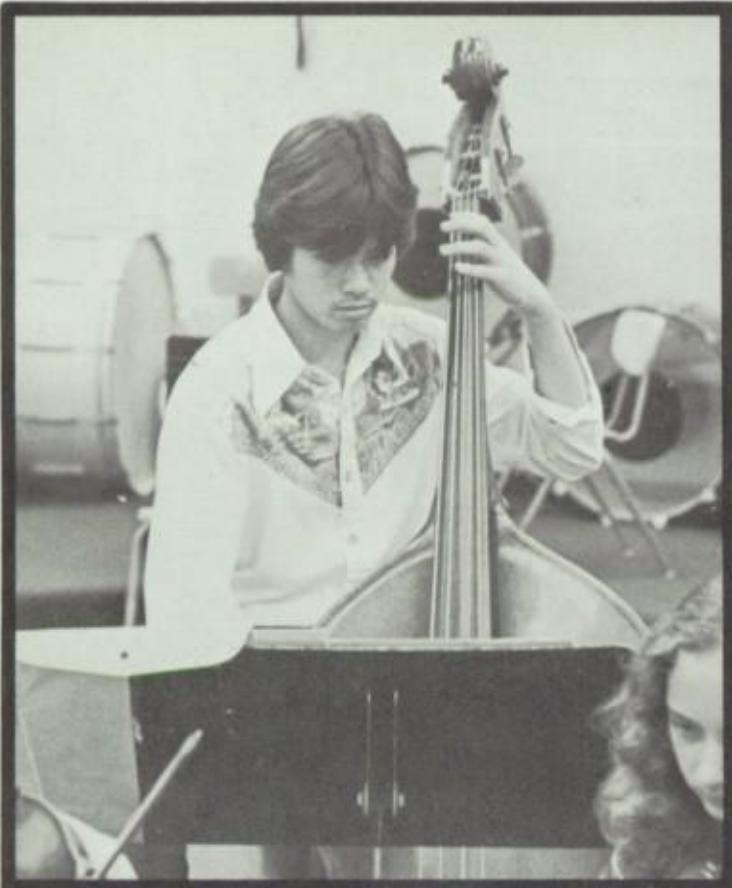

April

April began with a CASC meeting. California Scholarship members attended a conference in Redlands and the Parent Teacher's Association held an "open house" on campus. Drill team had try outs for choosing a new Rebel-Anne leader. The fourth and final quarter of the year had arrived, and many changes in scheduling took place.

May

During May California Scholarship Federation and the Athletic Associations recognized outstanding students at awards banquets. Musical groups had a pre-tour concert. The annual Junior-Senior Prom took place at the Costa Mesa Country Club. The Senior class gathered together to have a panoramic group picture taken.

June

June was the busiest month of the year. Most activities were coming to a close as the last quarter ended and last minute graduation plans were made. Students were rewarded at Rebel Awards Nights. Commencement exercises were held at the Anaheim Convention center, and for those graduating seniors a "Grad Night" was held at Disneyland.

A Special Week

Super activities were planned for the week of Homecoming Football game. Monday was "Kiddie Day;" little boy and girl costumes shoed up all over campus, and a tricycle race was the main event during lunch. Nostalgia was the theme for Tuesday; when everybody wore outfits from the fifties, and "Rock around the Clock" echoed through the halls. On Wednesday, everything from overalls to cowboy hats were seen for "Hillbilly and Western Day."

Homecoming Fun

"Spirit Day" was held on Thursday. The Rebels braved a "Rocky" egg drinking contest. After school a pep assembly was held for the Homecoming Game, and that night Savanna defeated the challenger. On Friday, "Tourist Day" was the costume theme, and "Victory Day" was held to congratulate the winning football team. Homecoming week ended on Saturday after one more celebration at the Homecoming Dance.

The Big Game

Savanna's Homecoming, held at Handel Stadium, highlighted the '77 football season. The Rebels participated in this exciting competition in many ways. The team started the game with a good lead over Lowell. During half-time the Marching Band and the Drill Team provided highly spirited entertainment. At a special presentation, the Homecoming court candidates were presented to the crowd. Moments later Phil Duncan and Debbie Frey were announced as the new King and Queen. The football team jumped back into the game to crush Lowell with a fantastic 20-7 score; finishing a special evening in a special way.

Dancin' in the Moonlight

Savanna's '77 Homecoming Dance was presented at nearby Fullerton Junior College. The theme "Dancin' in the Moonlight" was symbolized by glimmering silver and blue decorations. An outside patio and a warm fireplace added sparkle to the atmosphere. The Homecoming court was introduced by the Senior class president and then the fun began. "Sting," a popular band, provided the sounds for the coronation dance, while the king and queen danced together. The Rebels kept up the lively pace of "dancin' in the moonlight" until they were "dancin' in the sunshine." It was truly a celebration to remember.

Senior Week

Senior Week was held during the week of March 13-17. During this week, the center quad area was exclusively reserved for Seniors only and specially designated lunchlines were "off-limits" to all underclassmen. Every day was a different day filled with class competitions and dress-up fun. The week started off with Hillbilly day and during lunch, Volleyball competitions were held. On Tuesday, grass skirts and leis were seen around campus, for it was Hawaiian Day. Class competitions at lunch were Pool Relays. On 50's Day, we found students "Rocking Around the Clock" with their pig-tails and bobby socks. And after school was the Mud-Pit Tug-of-War. That night, the annual Powder-Puff Football game was held at Glover stadium. Thursday was Clash Day and Siamese Races. And the week finally came to an end with T-Shirt Day, Volleyball Finals and a special pep-assembly to mark the end of a special week.

Seniors — 8 Juniors — 6

This year, the annual Powder-Puff Football game was held at Glover Stadium. The Powder-Puff game is a flag-football game where the Senior girls are pitted against the Junior girls. Coaches for the Seniors were; Matt Aguayo, Mike Brunner, and John Gomez. Coaches for the Juniors were; Bruce Blouse, Dave Duff, and Tyler Gibson. At the game there were Senior Cheerleaders and Junior Cheerleaders and some "razzle-dazzle" half-time entertainment, featuring the "Rebelettes," which was an all-male drillteam.

BOY OF 1978

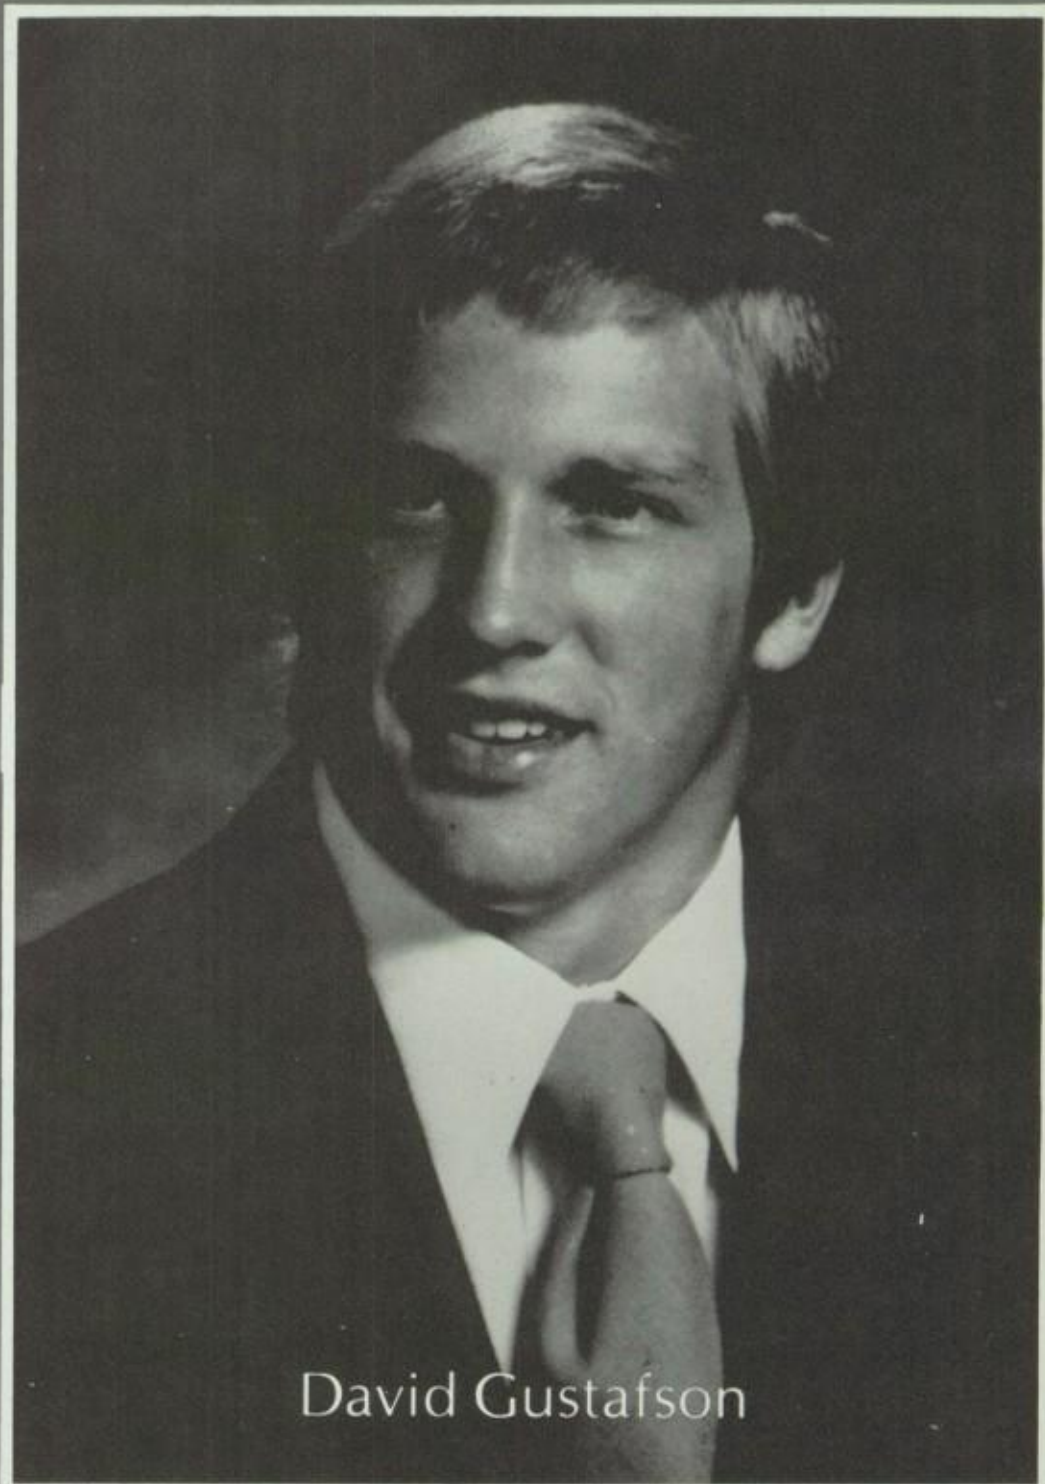

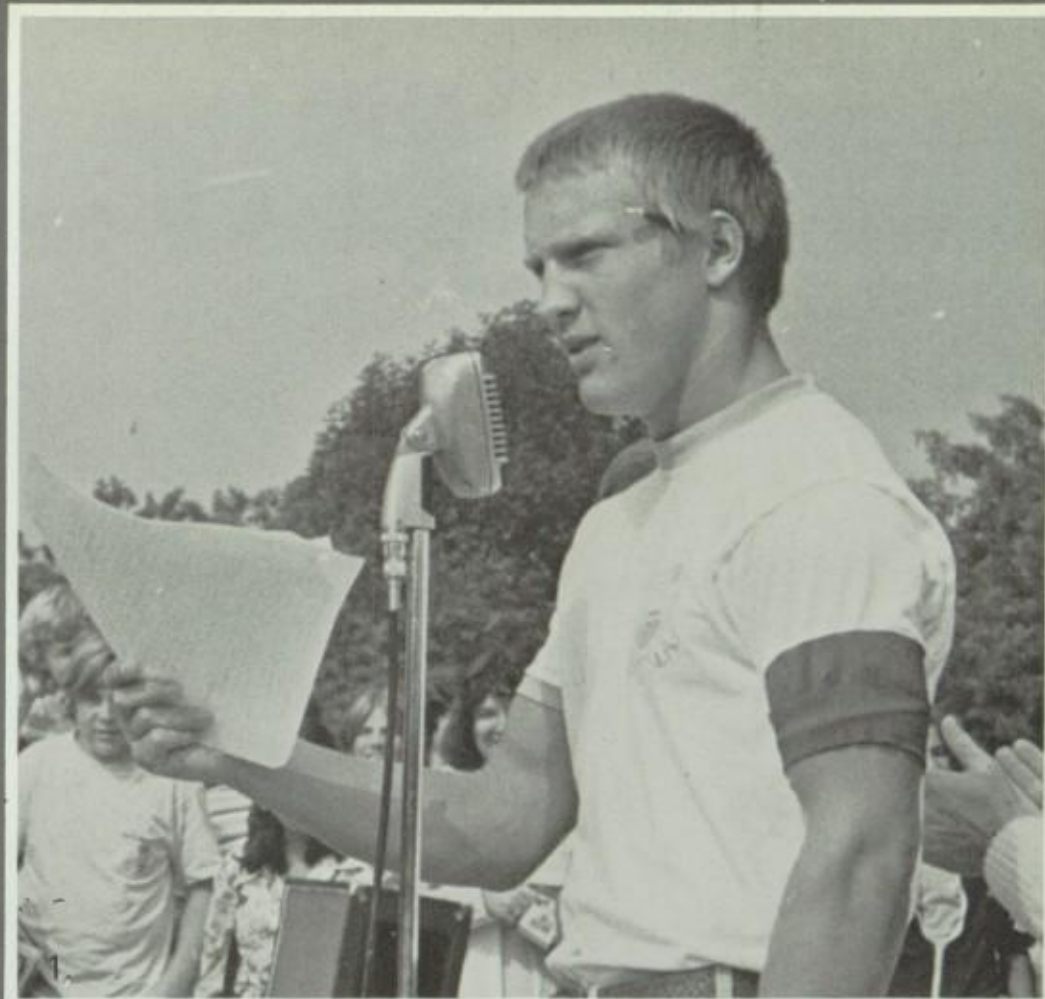

David Gustafson came to Savanna with the determination to make the best of his high school years. His spirit, intelligence, skill, and sincere loyalty earned Dave the special honor of BOY OF THE YEAR!

While maintaining a high academic average, Dave was a valued participant in the following activities: Honors Program for two years; Student Congress for one year; NHS for two years; Ski Club for one year; and Vice President of the Inter-Act Club during his senior year.

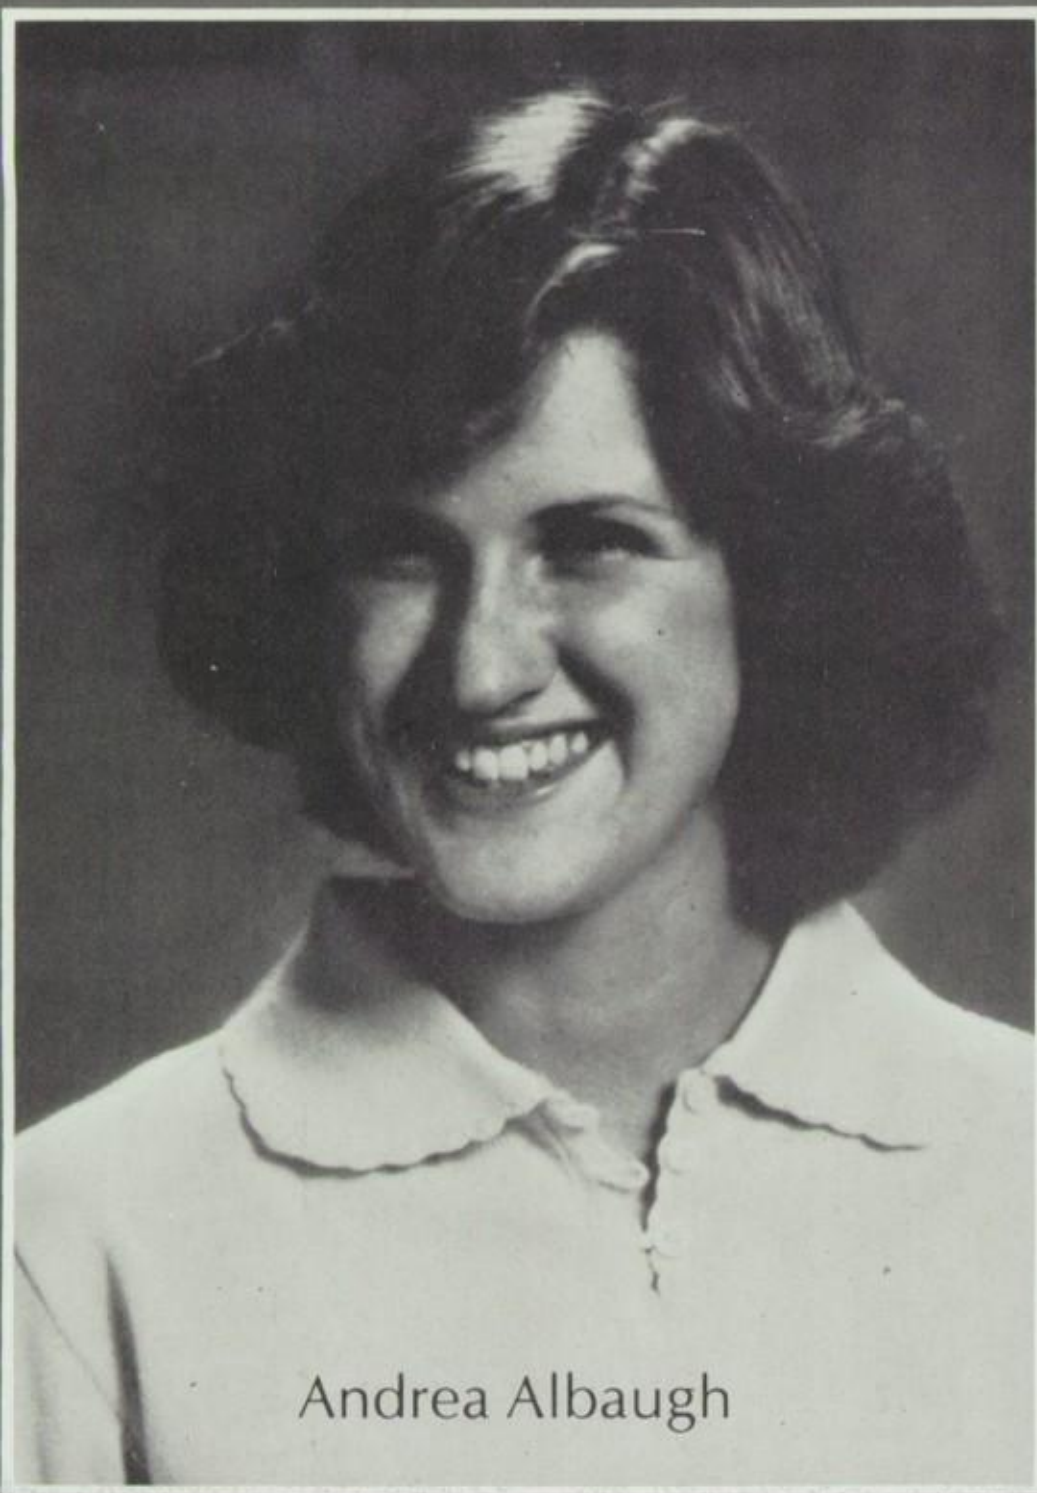

Among his sports achievements, Dave was active in wrestling as a sophomore; the Varsity Track Team for two years; Rebel Football for three years . . . playing Varsity Football during his junior and senior years.

CONGRATULATIONS DAVID GUSTAFSON!

Andrea Albaugh

GIRL OF 1978

Andrea Albaugh became increasingly more involved in school activities during each of her three years at Savanna.

To help represent the Rebels, Andrea served as a Banner Flag Carrier for one year and as a member of the Rebel-Anne Drill Team for two years. She found the time to work in school government and Girls' League all three years. She was selected to the student council as Student Board Representative and California Association of Student Councils Representative during her senior year.

An outstanding achiever academically, Andrea was in the Honors Program for two years and received the D A R Good Citizenship Award. Having been active in both CSF and NHS, Andrea graduated at the top of her class.

To a loyal, hard working, and deserving person, CONGRATULATIONS TO ANDREA ALBAUGH — GIRL OF THE YEAR!

THE WORLD OF ORGANIZATIONS

ICC Promotes Unity Among the Clubs

ICC helped to promote unity among the clubs and to organize club activities around each other. One person is elected from each club to be an ICC representative. Advised by Mr. Maib, the club's projects were a canned food drive for the needy, an all club candy sale and the "Rebel '78 Show." Led by Sue White, the club did a super job.

Foreign Exchange

Savanna was very lucky again this year to have two foreign exchange students. 17-year-old, Eva Fischer, and 16-year-old, Tina Karlsson. Both Eva and Tina were from South Sweden. Youth for Understanding sponsored Eva's trip and American Field Service sponsored Tina's trip. Both of the girls graduated in June with the other seniors. After graduating Tina will attend an AFS convention in New York. Afterwards she will return to Sweden. Eva is going to spend a week in Washington DC, then she will return home. Both AFS and YFU are well established organizations interested in furthering international understanding and goodwill.

Successful CSF

The members of CSF had qualified with a 3.5 or better grade point average. Activities included a sucker and carnation sale, also a presentation by Youth for Understanding and a trip to Disneyland. They concluded the year with the Honors Banquet in May.

Pep Club Helps Push Rebels On

Pep Club was active this year. They provided spirit in our school, by selling Homecoming Mums during spirit week, and selling ribbons, buttons, pom poms, and megaphones for football. They also painted signs, to help make our spirit go higher.

Dueling Minds

Six especially-gifted seniors were selected by a committee of counselors to represent Savanna at the Orange County Academic Decathlon. Being chosen for this team was a great honor since only the most intelligent students were picked.

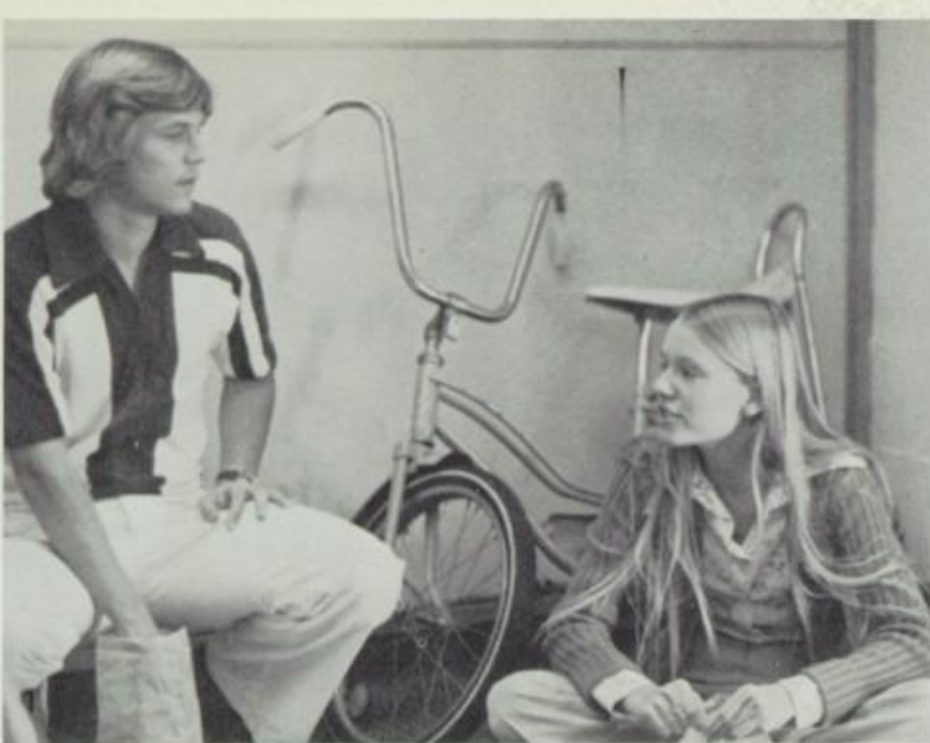

Kiwanis Bowl, a group which was founded in 1965 by the Kiwanis Club of Greater Anaheim and the Key Club of Savanna, unlike the Academic Decathlon Team has only the requirement that the members want to participate. This team competed in quiz tournaments against Clark County, Nevada and Orange County schools.

Fellowship and Service

The Interact Club of Savanna, which is now in its second year, provides opportunity for students of our school to work together in a world fellowship which is dedicated to service and international understanding. The members of this club truly emulated their motto of service before self this year by sponsoring and participating in many activities like a pancake breakfast, the planting of evergreen trees with a group of third graders and a Christmas dinner for the blind.

Nursery School Aides

The beginning of the year was a time when they studied about young children and their behavior patterns. To prepare themselves they went on a field trip to Fullerton Jr. College's Nursery School program. They prepared and practiced stories for the children. The children arrived in November. On every Monday, they planned their weekly activities, snacks, etc. Each person is given a job for the week. Such as outdoor play, art, snack preparation, etc. They offer such things as finger painting, puppet making and nature walks.

News Reporters

The Dispatch issued eight publications this year with a different banner to herald each issue. In addition to the variety of banners, the Dispatch Staff added interesting articles, art work, and more photographs to every publication. Although some issues were scheduled very close together, the staff worked hard and met all deadlines.

Assisting the Advisor, Mrs. Tate, was the Editor-in-Chief, Jerry Halpin and other editors including, Ad Manager, Bill Shuler; Photographer, Scott Wadell; Artists, Keith Rummler, Pam Pierrot and Mr. Hastings.

Time and Effort

The Savannan '77 took second place in the Columbia Scholastic Press Association National Competition. The size of the staff increased from thirteen people last year to nineteen people this year. There was a great deal of time and effort spent to produce the Savannan '78. For the first time in two years, the advisor, Miss Jones, was assisted by an Editor-in-Chief and section editors. These positions were assigned as follows: Editor-in-Chief, Donna Miyasako; Theme and Division Pages, Keith Silvers; Senior and Junior Class, Toni Osendorf; Sophomore Class, Darlene Blumberg; Leadership, Janet Church; Student Life, Kathy Funk; Academics, Irma Vellanoweth; Organizations, Gloria Hooper; Sports, Al Ramirez; Business Manager and Advertising, Suzie Maese.

The Savannan Staff would like to extend special thanks to Mr. Maib, Mr. Cordill, Steve Schwartz, Albert and James, and all other students, faculty and organizations who gave of their time and talent this year.

Unlimited Spirit

The Songleaders attended summer camp at U. C. Santa Barbara in 1977. They started off the year at the sophomore assembly and dazzled the in-coming class with their skillful routines and bright smiles. They performed their "Rocky" routine at all pep rallies along with the other routines. The real work started with football season. The girls served the team meal before the games and went on to the stadium and performed their routines. The squad showed their participation by giving equal support in all athletic events. They had a pizza sale and later a carnation sale. The money they raised helped to pay for their uniforms. The Song leaders led by Patti Gonzales promoted spirit within the Student Body. They were a great asset to the Mighty Rebs.

Unlimited Pride

Dawn Adams, head leader, led these girls to an active year. It began with summer practice and the squad spent the week at a cheerleading summer camp. Football was their busiest time of year. They helped paint signs, decorate the team room, and serve the team meal on game days. The squad cheered at all spectator sports and encouraged the teams with their chants. The squad always participated in pep assemblies with either a skit or with chants. The cheerleaders hosted a cheerleading clinic for all the junior high school girls interested in cheerleading. The Savanna squad taught the others technique and team work. The cheerleaders, through the year showed the true devotion of a Rebel.

J.V.'s Help Promote Spirit

The squad consisted of eight girls' selected at the end of the year. They practiced during the summer of 1977. They performed first at the "Welcome of Sophomores" assembly and presented "Night Before Christmas" routine at the Christmas assembly. They attended all Sophomore and J.V. games and helped to promote spirit.

The Sounds of Music

Advanced Women's Choir proved that practice does make perfect because all their performances were done with professionalism. They practiced every day with the help of Mr. Luther, the new choir director, and their concerts were proof of their dedication.

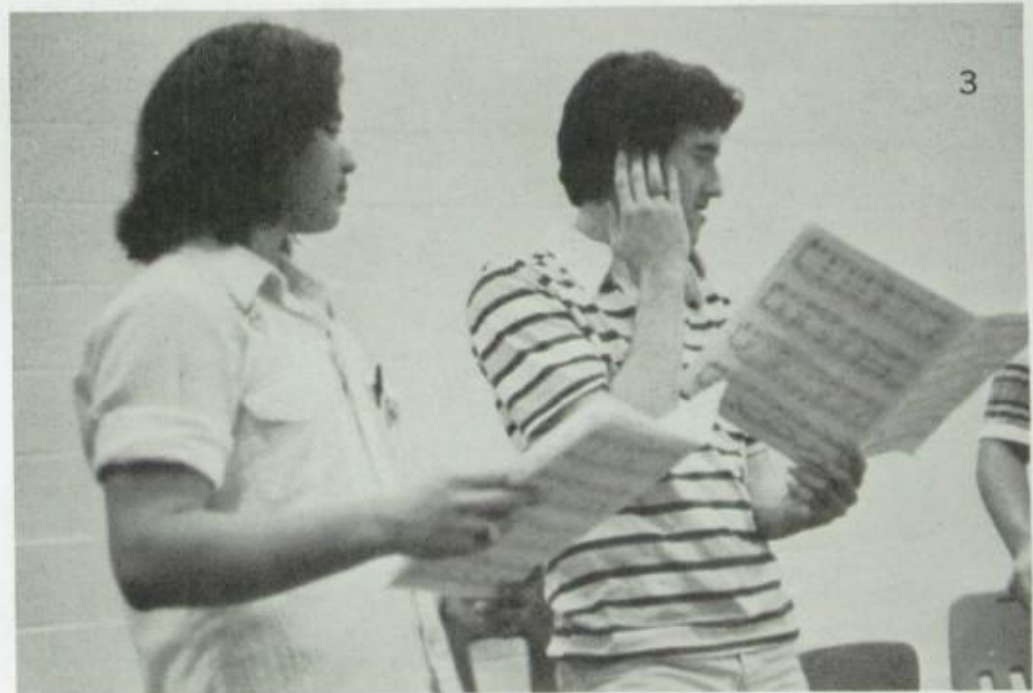

Men's Choir also had a successful year. They out did their competition and gave their audience something to talk about. They were a great influence and did their best in concerts.

Perfection is Achieved

Women's Choir had an exciting year. They practiced every day to achieve perfection and the outcome proved beneficial. They performed at many concerts and competitions and brought enjoyment to all their audiences. Their engagements included a pre-tour concert, a spring concert and other various performances. The year was successful for the choir and the girls should be proud of their accomplishments.

Giving Joy

Concert Choir had a successful, active year with the addition of Mr. Luther, as the choir's new director. Mr. Luther coached these singing Rebels in many highly-acclaimed performances. For instance, The Cypress Festival, Pops Concert, Holiday In Music, a pretour concert, and even a performance at Disneyland were a few of the Concert Choir's many activities during the year. Choir members, whether in actual competitions or performances for the school, enjoyed themselves while giving enjoyment to others.

Outstanding Performances

Madrigals, one of Savanna's outstanding choir ensembles, experienced a rewarding and enjoyable year. Mr. Luther directed the group and should be highly commended for the high status achieved by the Madrigals this year. The choir performed with expertise in many competitions and concerts, such as Holiday in Music, Savanna Jazz Festival and the Cypress Festival to name a few. This choice group practiced hard and long, but it paid off in the end.

A Christmas Jazz Medley

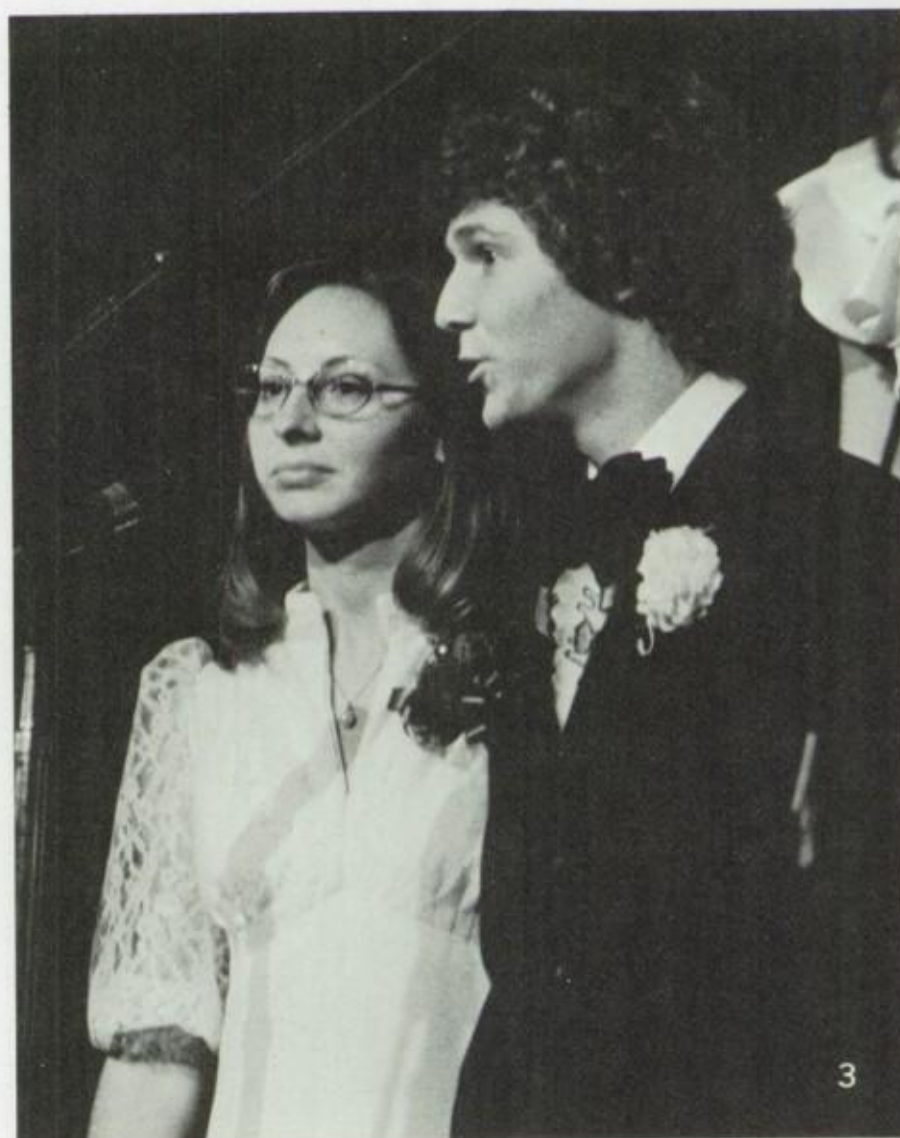

The Anaheim Union High School District held their 9th annual, "Holiday in Music" extravaganza. This joyous event took place at the Anaheim Convention Center on the 14th and 15th of December. Savanna featured their musical version of "A Christmas Jazz Medley." Their performance started out with a quick beat as the Madrigals sang out "Sleigh Ride" and "Let it Snow." The Drill Team added to the Christmas feeling by dancing a jazzy Christmas routine. Then slowing the beat down to a romantic waltz, Debbie Gilbert and Doug Lalicker seemed to glide across the floor in time to "A Christmas Song," and coming out for the grand finale, the Drill Team danced to the "Carol of the Bells."

Winter Fantasy

The Winter Formal was appropriately called "Winter Fantasy" this year. The Saddleback Inn in Santa Ana was the location for the festivities, while the band Elefonte supplied the music for the dance. As in the past, Girls' League sponsored and decorated the formal, but this year Boys' League offered a helping hand to the girls.

Dancing The Night Away

Beth Stark, Girls' League President, along with all the other members, helped make this year's Winter Formal a success. Many people who attended this formal commented that it was one of the best dances that Savanna has had in years.

Boys' League Enjoys Rebirth

Boys' League became active on campus this year for the first time in several years.

In the beginning the group encountered the normal setbacks that a new club usually comes across. The group participated with Girls' League in a fashion show and helped decorate the Saddleback Inn for the Winter Formal. They also entertained the school with a Superstars competition.

Bowling Club Strikes Again

Under the direction of Mr. Farr, the students interested in bowling were helped to improve their skills. Every Thursday at 3:30 the bowlers met at the Anaheim Bowl to practice on their game or compete against each other and other schools. Once again, bowling has a successful year at Savanna.

Science Club Sparks Interest

The Savanna Science Club students planned field trips and raised money with a bake sale and a car wash. This organization was helpful to science-minded students. It provided recognition awards for each type of science courses and sponsored special speakers on topics of scientific interest.

Acting It Out

With the guidance and instruction given by Ms. Morrow, Drama Company members had a great year. Entertaining productions were performed for both the student body and community alike. Besides the actual performances, workshops were also attended which helped these aspiring actors and actresses to brush-up on basic skills of the acting trade.

Spoon River

Drama's first presentation of the year was a reading entitled "Spoon River." It dealt with some of the hypocracies of life in a small town during the Civil War times. The characters all had died and returned to tell the audience their true life stories instead of the epitaphs inscribed on their tombstones.

The actors and actresses admitted that the practicing and actual performance were demanding, but as one drama student stated, "It really brought our company closer together."

New Members: A Great Asset

The Drama Company acquired many new, talented members this year. These members, who were a great addition to the already competent company, quickly discovered the fact that acting can be and is hard work. Of course, they also had fun and the experience and knowledge gained by both the new members and the veterans of the company proved to be valuable.

Christmas Dinner

For Christmas, the Drama Company presented a special play entitled "The Christmas Dinner." As the title suggests, the play takes place at the dinner table on Christmas Day. Instead of re-enacting the happenings at just one Christmas dinner, the play passed from one dinner to the next. In doing so, it showed the birth, life and death of the family members and their descendents over a long period of time.

Clubs Cater to Every Need

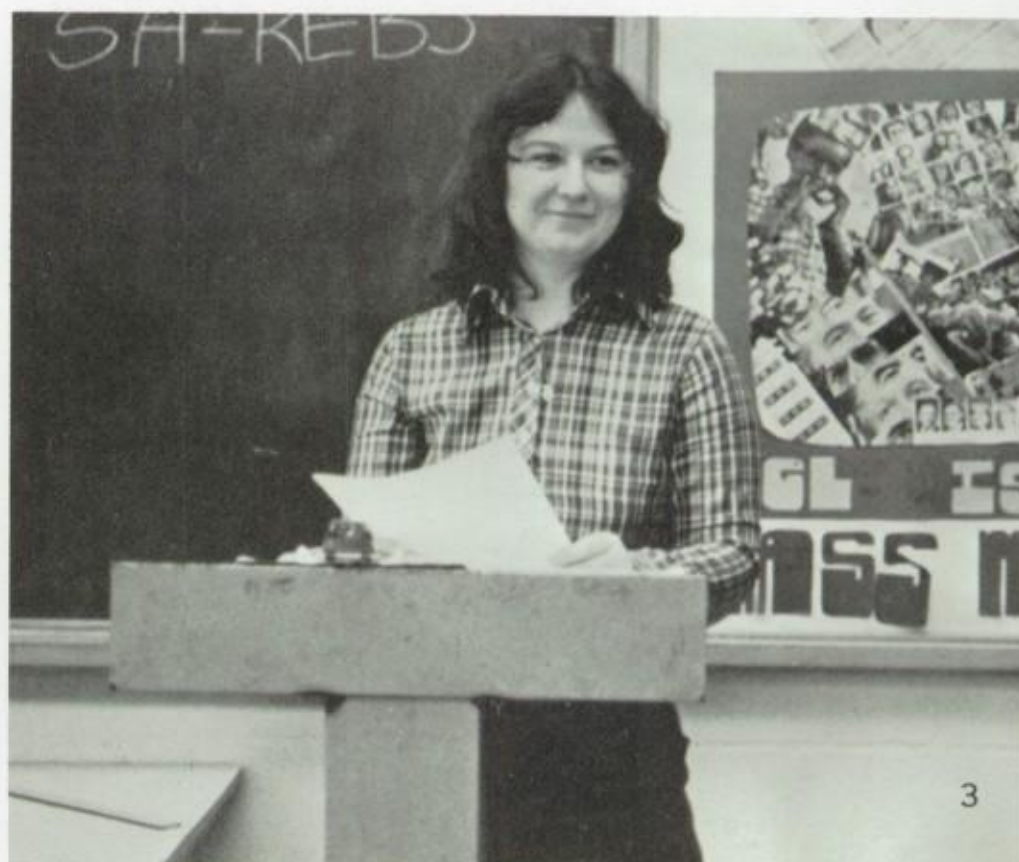

Service to our school and the community is the motto for Sa-Rebs. With the motto in mind, the girls worked at the Braille Institute, decorated a convalescent home for Christmas, and adopted a grandma and grandpa. All involved in Sa-Rebs were proud to be a member.

The electronics club provided an opportunity for all who were interested in electronics. Every Tuesday, the group met to work on various projects and talk about plans. Activities included a car wash, a trip to a "Nepcon West" show and they sold silkscreen t-shirts.

Skills Acquired

Every day during nutrition and lunch, the Student Store was open for business. The girls involved learned salesmanship and also how to handle money and merchandise. Each member was willing to give up their free time for the purpose of learning about small businesses.

The International Club gave students an opportunity to learn about other life styles and cultures of people in different countries. Mrs. Dockery was the advisor to the group and helped them to better understand the different languages. Besides studying the customs, the group sponsored a pastry sale during the year to provide money for the club.

Another Award Winning Year

The 77-78 Rebel-Anne Team, under the direction of Mrs. Ring, had another award winning year. Besides performing at Football Games, Basketball Games and various pep assemblies, our Rebel-Annes participated in some of the most highly competitive halftime show tournaments in California. Such tournaments included the Mt. Carmel Tournament, where our Rebel-Annes took second place. At the Los Altos Tournament, the Band and Drill Team took Sweepstakes. The most highly competitive tournament they participated in was Mt. Chaffey's "Tournament of Champions." Award winning schools came from all over California to compete. And with the combination of precision drills and dance, their performance in their musical extravaganza, "Rebel Revue 77," landed them with first place.

Work Pays Off for Drill Team

Besides performing in Halftime show Tournaments, the Drill Team also participated in events such as the Band and Drill Team Spectacular, which was held at the Anaheim Stadium. At the Anaheim Convention Center, our Rebel-Annes performed a spirited Christmas Dance to the "Christmas Jazz Medley" performed by the Madrigals and the Jazz Band. In February, they participated in the Miss Drill Team USA Pageant. And at the Rebel '78 Show, they did a 50's Rock and Roll Dance.

Winning Styles

The Rebel-Annes traveled to Santa Monica College and to the Los Angeles Sports Arena for the 1978 Miss Drill Team USA Competition. There were over six thousand girls from thirty different states in this competition. The Savanna Rebel-Annes prepared for six weeks prior to the two day competition. The Three competitions in which Savanna competed in, were; Military, "The Battle Hymn of the Republic", which placed third and Dance, "Alexanders Rag Time Band", which placed sixth and Shelly Hayes placed ninth in Miss Drill Team, dressed as a chimney sweeper, dancing to "Step in Time". Unfortunately there were no photos of the contest available, the pictures on this page were taken during other performances.

The Toads

The 77-78 Tall Flag Corps, or commonly nicknamed "The Toads", had another award winning year. With grand and devious plans emanating from the "Lilly Pad" in the Band room, our Savanna Banner and Flag carriers were always among the top winners at all competitive events that they took part in. Accomplishments that they have achieved included the Loara Competition, where they took First in the Class "A" division, The Tournament of Champions Competition, where they again took first place, and at the Miss Drill Team USA Pageant, they placed 4th in the state of California. Head Leader this year was Connie Hart and Asst. Leader was Melanie Theskin, Advisor for the "Toads" was Beth Brandenburg.

Wide Ability

Concert Band began in January and practiced everyday as well as some required extra practices. Concert Band consisted of everyone from Marching Band, some of the musicians played different instruments. Their wide range of musical ability showed in that they played a variety of tunes ranging from Bach to some moving Rock "n" Roll. In the past thirteen years the Savanna Concert Band received superior ratings at the District Festival. They were looking for their twelfth exchange concert. They produced a record album and performed Winter and Spring concerts with guest artists. The Savanna Concert Band was recognized as being among the best Southern California area.

The Chosen Few

Wind Ensemble is just a smaller version of Concert Band. The members had to audition to be in this band and only the top forty five players were chosen. They met two mornings each week, zero period. Wind Ensemble played music of college level. They made concert and clinic appearances in the Southern California Area.

Varsity Off to Great Start

The Savanna Rebels opened the season against a strong Rancho Alamitos team. With Grant Parker at the controls he hit 15 of 23 passes for two touchdowns. Junior tailback, Bruce Blouse, picked up 25 yards on the drive, including three 1st downs in third down situations and fullback, Mike Brunner, got a 5 yard pass from Grant Parker to put the Rebs on the board. Boyd Mortenson's first of four successive PAT kicks put the Rebs top, putting away Rancho Alamitos with a 28-12 victory. The California Condors were the Rebels' second victim. The Rebs netted 309 yards, including Bruce Blouse's 173 yards, to pace the Rebel's uprising. Wayne Chapman's 37 yard reception and Parker's 17 yard drive keyed the running attack. The Rebels' defensive unit turned in its best showing of the evening. Defensive end Stu Ashe sacked the quarterback for a safety. On the ensuing kick, wide receiver Keith Hall took a 53 yard kick return for a touchdown that gave the Rebels a 29-0 lead for good.

Rebels Topple Pioneers and Sents

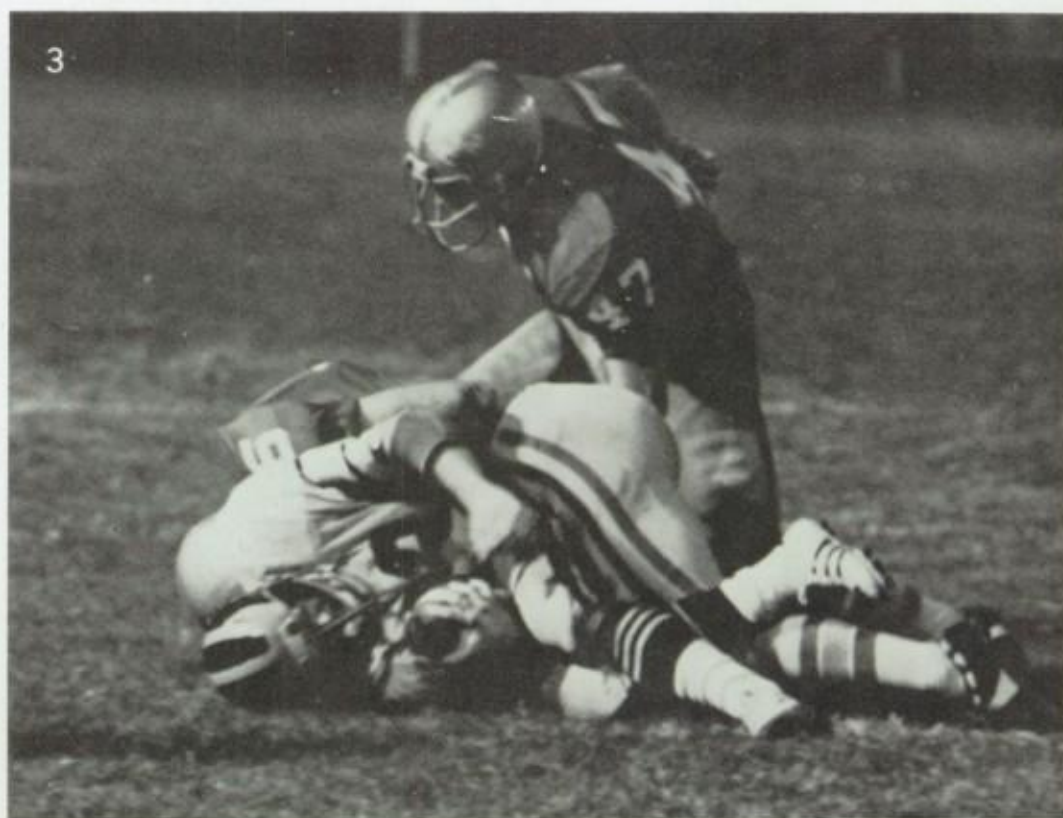

The Rebels opened league play against an undefeated Western team. Parker threw well, completing 18 of 23 passes, with key passes to Frank Thompson who caught 6 passes for 107 yards. The Rebs took a 14-6 lead into intermission. A stiff Rebel defense in the second half held the Western offense. Mike Brunner scored twice for the Rebels to take a 34-14 lead. Western scored another touchdown, but that was all they could do. The Rebel defense held on to take a 34-20 win. Magnolia was their next opponent coming in with an unimpressive 0-3 record, but the stubborn Sents wouldn't let go of the game. The Rebels used its 1st ten minutes to score on a one yard drive by Bruce Blouse. Magnolia then exploded with a touchdown, but then Parker connected to Wayne Chapman with a 33 yard scoring pass to give the Rebs a 13-6 advantage and then a second pass this time a 15 yarder again to Chapman to put away the Sents 20-12.

Powerful Rebels Shocked by B.P.

Anaheim came into the game determined to win its first game, their homecoming game. The Savanna Rebels wouldn't let that happen by responding with two touchdowns by Bruce Blouse. A key defensive interception by Wayne Chapman helped the Rebs score its first of two touchdowns to put away the Colonists 14-6. The Rebs then met Lowell. Both teams had an explosive offense and both had winning records but the Rebs prevailed. Poor passes by Lowell and a stiff Rebel defense killed the Patriots' momentum. Later, in the first quarter, the Rebs scored on a 3 yard run by Bruce Blouse and then a 44 yard pass from Parker to Wayne Chapman to give the Rebels a 14-0 lead. Lowell made no scoring threat, but the Rebs left them behind with a 21-7 victory. It was Buena Park's turn but could the Rebs stop a six year jinx? The answer was no, Buena Park, surviving five fumbles, and one interception defeated the Rebs 14-13. Savanna made an effort.

Rebs Overcome Lancer Threat

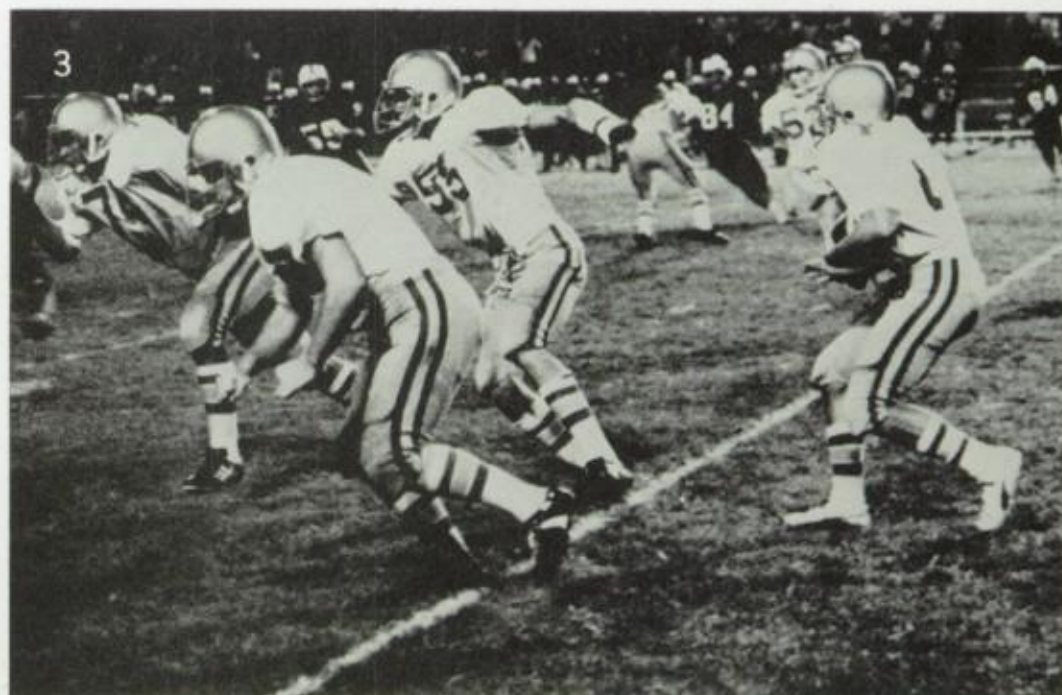

The defeat from Buena Park made the Rebels more determined to defeat the rising Lancers. Not only did the Rebels have to overcome and defeat the team, but they were faced with another homecoming game, the most important game to the Lancers. Savanna jumped out to an early 14-0 lead on two touchdown runs by Bruce Blouse with 4 minutes left in the second quarter. Again the Rebels' defense proved to be too much as the Lancers surprised everybody with their inability to move the ball. Mike Robinson was the key defensive player who halted the Lancer's second scoring threat. A key turnover by the Lancers proved to be significant as the Rebs took advantage of it with a 65 yard touchdown by Mike Mitchell. The Rebs defeated the Lancers 21-9. Troy was the final victim in league competition for the Rebs. Troy dominated the game in the 1st half, but the Rebs kept fighting back. Troy took a 24-7 lead into the third quarter. Grant Parker led Savanna's attack by hitting Mike Wall with a 15 yard scoring pass. Bruce Blouse then scored with a 3 yard run. Troy, however, prevailed and in the final seconds Savanna scored only to come short 30-28.

Rebels Bound for CIF

The Rebels, since 1963, earned the bid to the Southern Conference CIF play offs against Empire league finalist Loara. The Rebs started out slow in the first half with a 22 yard field goal by Boyd Mortenson. Loara exploded with a 3 yard drive but the extra point failed thus giving Loara a 6-3 edge in the first half. The second half was a totally different story. Savanna's defensive backs covered the Loara receivers like cheap suits. Loara managed to get one completed pass but that was all as the offense deadened. The Rebs got their explosive offense going by Grant Parker who completed seven of ten passes. Junior tailback, Bruce Blouse, tore through Loara's defense with 2 touchdowns, one of those with the help of Stuart Ashe and Kevin Peralta. Mike Mitchell and Don Miller were the defensive story, both totaling 12 tackles and one sack. The Rebs tormented their opponents slowly through the fourth quarter until finally coming out victorious 17-6. The Rebs earned the bid to play Villa Park and move on into the second round of the CIF playoffs. This year the Rebs proved that guts and hard work pay off.

Tough Season for JV's

The success of the Varsity Rebs did reflect off the JV Rebs, but their own record was a tough and different story. Their first game was against Rancho Alamitos, a tough game which ended in disaster for the Rebs with a 12-28 loss. Troy defeated the Rebs 8-42 in an upside down contest. Western came out victorious 6-23. Magnolia and Anaheim both forfeited giving the Rebs a 2-3 record. Lowell slipped by the Rebs 20-12. Buena Park won in the final half 14-21 and Sunny Hills forfeited giving the Rebs a 3-5 record for the season.

Soph Success

The Sophomore Rebel Football team, under the leadership of three coaches this year, Greg Marchant, Mike Martelli, and Paul Greiner, helped to achieve a successful sophomore team. The Young Rebs achieved a 6-2-1 record for this year, as impressive as the Varsity Rebs, with victories over Western, 22-6; Magnolia, 16-0; Anaheim, 14-14; Buena Park, 18-0; and Sunny Hills, 16-0. The young Rebs show promise that will make the class of 1980 worth thinking about.

Winning Season

The Varsity Cross Country team finished the season with a record of 4 wins and 3 losses. Tom Rivera and Tim Dec kert led the team, with Larry Dooley and Dennis Moore also placing high. Jesus Robledo and John Dooley also ran Varsity. The girls were led by Amy Goldberg, Liz Musser, and Amy Tennyson. The girls had a very good season finishing in 3rd place. This was the first year for girls cross country at Savanna, and the future looks promising.

Best Season

The Junior Varsity, led by Mickey Genzel and Don Little, had a strong team that finished second in the league meet. Strong performances were turned in by Kent DePue and Doug Lalicker. The Sophomore team had a small turn-out this year despite the lack of extra runners the sophs finished third. Outstanding performers were Todd Wheeler and Alan Just.

Slow Start. . .

The Varsity Basketball Team, under the leadership of Coach Rick Schlichting, showed promise during the summer. Unfortunately, a few key players didn't show up for pre-season resulting in a slow start for the Rebels. Key players this year were, at guard, Steve Jacobs and Jerry Halpin. At forward, Tim Deckert and Steve Egleston, and at center, Dave Perez. Their first game was against Cerritos High School, but the Rebs' high hopes for a win dwindled resulting in a loss. At the Valley Christian Tourney Savanna pulled out a victory over Christian High School but followed with loss to Valley Christian High School. In the Orange Tourney, Savanna met up against a fierce Servite team and fell under with its third loss.

Uphill Battle

The Varsity Rebels started their league competition sluggishly with a loss to Western 54-55. Trying to come out of a slump, Savanna gave an impressive showing but lost to Anaheim 57-60. Troy ended in disaster 55-89. Buena Park pulled away from Savanna in the closing seconds 52-61. Sunny Hills won with the same story with a loss of 51-61. The Rebs gave strong efforts, but apparently this was not enough with an 0-5 showing.

Rebs Outscored

The Varsity Rebs still had high spirits after a dismal start. Against Lowell, the Rebs gave a tough fight but in the closing seconds Lowell slipped by 61-64. Magnolia pulled away 55-58. The Rebs finally got their act together against Western, defeating them 73-65. Anaheim felt the Rebs upturn and bowed 49-46. The Rebs, however, could not keep it up against a powerful Troy team and lost 64-90. Buena Park, Sunny Hills, Lowell and Magnolia finished it off giving the Rebs a 2-12 record.

Tough Season

The J.V.'s had a rough season this year. Fine players like Larry Dooley and John Oseid gave good performances, but inexperience was the main factor this year.

Sophs Fierce

This year's Sophs had an exceptional year, especially for the Sophomore J.V.'s. The Sophs had their ups and downs but there were many exceptions where the Sophs pulled out victories. The Sophs pulled out victories from Western, Magnolia, and Lowell. The big story was the Soph J.V.'s who pulled out a 9-4 record. Again strong willing players were key factors. Outstanding examples were Glenn Miyasako and Ron Arentz.

High Spirited

This year's Wrestling Mean Machine had a very small turnout. Despite this there were some outstanding individual performances. Senior, Mickey Genzel, and Sophomore, Ruben Casias, both placed second at League Finals. Coaches Morie Muench, Bill Zander and Jorge Robledo did a fine job helping this year's team.

Hard Hitting Action

The Boys' Tennis Team went into action this year with returning Varsity players, Shelly Schleif, Frank Rexach and Dave Beatty, leading the team in some hard hitting and exciting matches. Sophomore, Mike Deckert, also gave a good showing on the Varsity squad. The Team held their practices during 6th period and after school with Coach Hansen directing them.

Fast Start

The '78 Varsity track team, under the leadership of Coach John Champlin, showed the potential of a championship team with a pre-league victory over Kennedy. Strong performances were turned in throughout the season in every event. Individual leaders were, Doug Lalicker, returning league champion in the high jump, Tim Deckert in the middle distances. Dan Wheeler and Dan Hernandez will lead the Rebels in the sprints.

Rebels Excell

Coaches, Doug Hastings, Woody Fries and Mike Ferguson, all did an excellent job helping this year's team become a strong contender. The Rebels proved to be strong contenders in league and at Invationals. Dennis Moore and Larry Dooley performed well in the long distance races. Mike Mitchell, Bruce Johnson and Dave Duff powered the Rebels in the shotput and discus events. Juniors, Steve Miller, Bruce Blouse and Steve Jacobs proved to be a big help to the team. Others contributing to a very successful season were John Dooley, Armando Esquivel, Mike Wall and Jesus Robledo. Everyone on the team supported each other and that was an important reason why this year was very successful.

Good Turn-out

This year's Girls' track team was one of the best Savanna has ever had. One reason for this was the fact that everyone worked extremely hard all year. The number of girls that participated this year was also a big plus to the team.

Soph Leaders

Promising Season

The Rebels opened their 1978 season in hopes of gaining an advantage in the pre-season tourneys and to get readily prepared in league season. With experienced seniors and juniors from last year and with gifted juniors from J.V. such as pitching hurler Ron Shelton, the Rebels opened up a promising season. In their first game, in the El Segundo Tourney, the Rebs managed to defeat Schurr 3-2. Later in the tournament, however, Palos Verdes defeated the Rebs 2-3. Lynwood also defeated the Rebs in a 10 inning match 0-1.

Rebs Lose Advantage

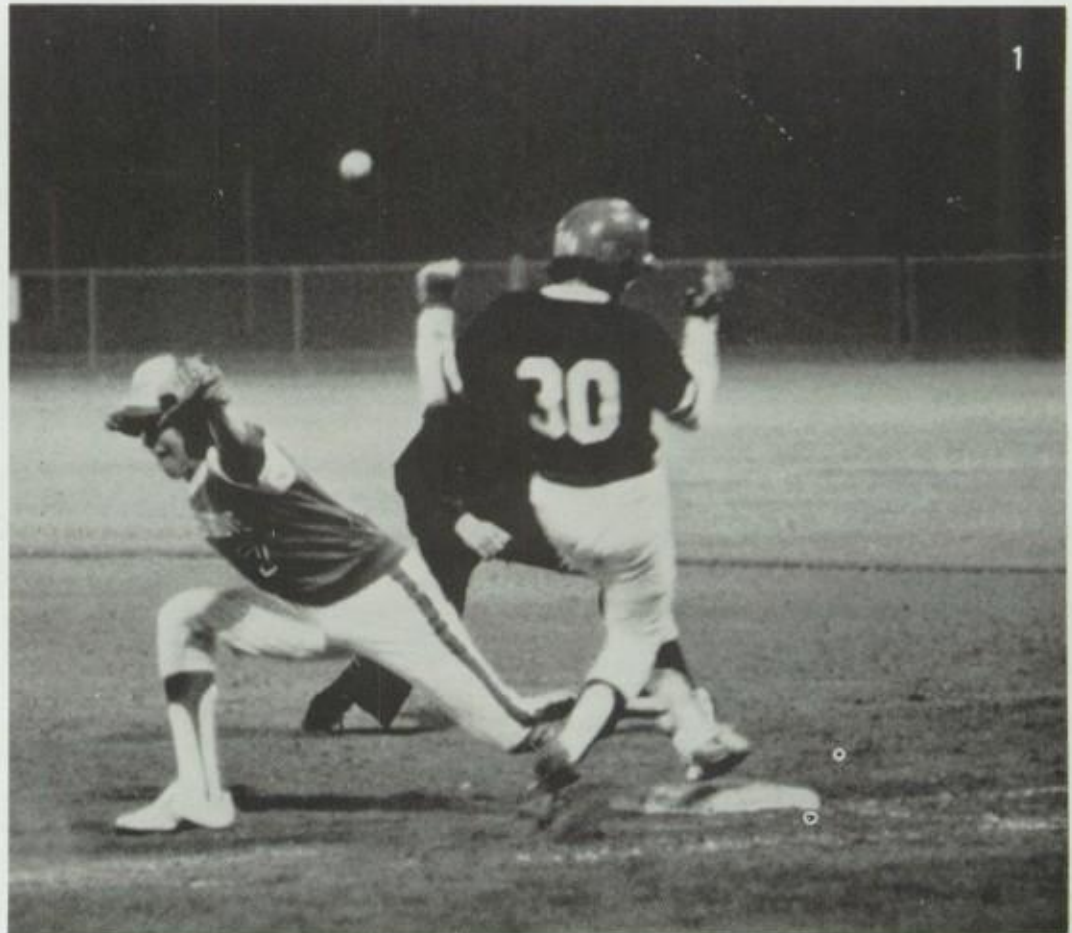

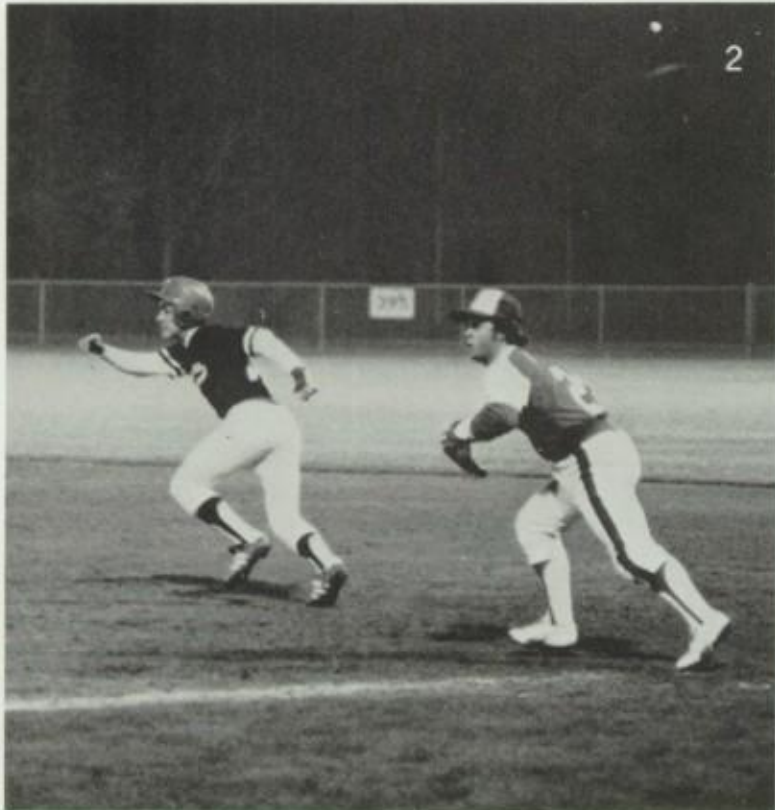

On the lighter side, the Rebels, behind pitching hurler Jerry Halpin, defeated a tough St. John Bosco team 5-4. The Rebels then faced Garden Grove. Last year the Rebs controlled the game with a 10-4 advantage but this year it completely turned upside down as the Argonauts won 14-3. The Rebs exhausted their pitching staff with no success. Rain developed, ruining a better part of the season but after weeks the Rebs took advantage of a clear day vs. El Segundo. Unfortunately a Rebel rally came short as El Segundo defeated the Rebs 2-1.

Rebs Hopes in CIF Bid

After a slow pre-season start and finish the Rebels met up against league rivals such as Magnolia and Western. A better part of the season stiffened the Rebel defense and offense. Last year, the Rebels tried for a spot in the CIF playoffs unsuccessfully. This year's Rebels, however, are determined not to repeat last year's disappointment. With such players as Grant Parker, and Dave Lucas in the lineup, more firepower can be added to a Rebel offense.

J.V.'s Keep A Steady Pace

Under the supervision of coach Dan McConnon, the J.V. rebels had an impressive preseason. Power hitting from David Guarino and clutch pitching from Paul Klein and Mark Mitchell were key assets to the J.V.'s success. At the start of league competition the J.V.'s established a 9-5 record and kept pace with strong league opponents such as Lowell and Sunny Hills. This year the J.V.'s showed true rebel pride.

Sophomores Successful

Under the supervision of Jeff Bochesa, the sophs rallied to a very successful pre-season. Balance and poise overcame their inexperience. Excellent hitting from players like Mike Mendoza and Robert Arentz, strengthened the Rebel offense and a strong defense were key factors to the sophs success. Congratulations rebels for a fine season!

Golfers Score Under Par

Savanna's '78 golf team had the best season that a Savanna golf team has ever had. There was a small turnout but the players had plenty of experience which enabled them to defeat such schools as Magnolia and Katella.

Varsity Goes to CIF

Through the coaching ability of head-coach, Ms. Creighton and assistant coach Mrs. Wolfrom, the Girls' Varsity Volleyball team qualified to go to CIF for the first time in Savanna's history. With five returning lettergirls: Debi Allison, Shannon Egan, Charleen "Tiger" Love, Donna Miyasako, and Tina Rebai, the Varsity team tied for second place with Buena Park with a win/loss record of 10-4. After they defeated Buena Park in both their league matches, Savanna went on to the CIF playoffs. Savanna was matched against the strong La Mirada team. Even though our Rebels gave them a tough fight, the first game was taken by the Matadors with a score of 8-15. In the second game, the Rebels started out slow but as the game progressed they came back from a 6-14 deficit to make the score 13-14. Unfortunately the Matadors edged out with the score of 13-15. The Varsity team also participated in the 3rd Annual CIF Volleyball Tournament. Out of 16 schools, competing for top places, our Rebels went all the way to the finals and in the finals, they lost a hard fought match to Mater Dei and came in second place with the scores of 6-15 and 9-15. The Freeway League picks its top twelve players at the end of the season. Three of our girls were chosen as All-League players. They were Debi Allison, Donna Miyasako, and Tina Rebai. With an average height of 5' 4" in their starting line-up, the Savanna's Varsity were referred to as, "Not as large as the largest, but as strong as the strongest".

J.V. Takes League Title

Also under the direction of Miss Creighton and Mrs. Wolfrom were the Savanna's JV team. This year the Savanna's JV Volleyball team took the league title in their division with an impressive win/loss record of 13-1. The main ingredients to the JV's successful season were enthusiasm, team spirit and most of all experience. The JV's had five returning players, who were: Jeri Hambey, Vicki Jelly, Robbie Lukens, Kim Medina and Terri Newhouse. Other JV talents were foreign exchange student, Eva Fischer, and sophomores, Barb Wickell and Lola Herrera. Combined, these members put out the most impressive seasonal record that any JV team has ever had in Savanna's history. The JV's were known as the League's Powerhouse.

Sophomore Team Takes First

The incoming sophomores comprised the first-ever Savanna Sophomore Volleyball squad. The Sophomore team gave league opponents little to hope for as they too finished "Number 1" with a win/loss record of 11-1. Coached by Miss Vevia, the sophomore squad not only was matched against teams comprised only of sophomores, they were matched against strong teams comprised of juniors and seniors as well. All in all the sophomore team made an impressive debut by taking first place in their division.

Tennis Has Split-Season

Under the coaching ability of Mr. Marty Berson, the Savanna's Girls' Tennis team had their best season ever. The girls' tennis team ended their season with a split record of 7-7 in league and 8-8 overall. This record put our Rebel Racquetters in fourth place in league.

Stiff Competition

The Savanna's Girls' Tennis team was in a tough league, playing against such schools as Sunny Hills and Lowell, but as stiff as the competition was some of our players still came out with winning records. Such members included top singles player, Kathy Just, who came out of season competition with a record of 24-17. The top doubles combination of Amerkhanian and Kanitz also ended their season with a winning record of 32-10. Other new talent on the Varsity level, included sophomores, Anna Tausauga, Sharon Miller, and Anna Aguilar, and junior, Sandy Beck, who also had a very good season. Overall, the Girls' Tennis team met their goals through hard work and training to come out with the best season that any Savanna's Girls' Tennis team has ever had in CIF competition.

Lack of Height Plagues Varsity

The Girls' Varsity Basketball Team, under the coaching ability of Mrs. Toni Wolfrom, had six returning players this year. They were: Debbie Allison, Shannon Egan, Charleen "Tiger" Love, Donna Miyasako, Tina Rebai, and Debbie Wegner. Other Varsity talents included sophomores, Candy Lenca, Diane Mobley, and Lori VanAntwerp. The Varsity Team, with an average height of 5' 4", was once again plagued by lack of height. In pre-seasonal competition, our Rebels were matched against strong teams such as Loara, Katella and Los Al. Although our Rebels played very aggressive games, their lack of height was their main handicap. They entered league competition with a record of 0-3.

Rebs Win Opener

The Savanna's Varsity Girls' Basketball Team's first league game was against Magnolia. It was a close race all the way, but in the fourth quarter, our Rebels "poured on the power" and came out with the final winning score of 34-31. Other opponents in their league included the strong Western and Troy teams. All in all, what our Rebel Varsity team lacked in height they made up for with lots of hustle and good ball control.

J.V. Action

In season competition, our J.V.'s proved to be fierce competitors. With new talent such as sophomores, Sandy Edds and Lola Herrera, and veterans, Terri Leonard and Kim Medina, the J.V.'s played very impressive games against all their league opponents.

Surfacing to the Top

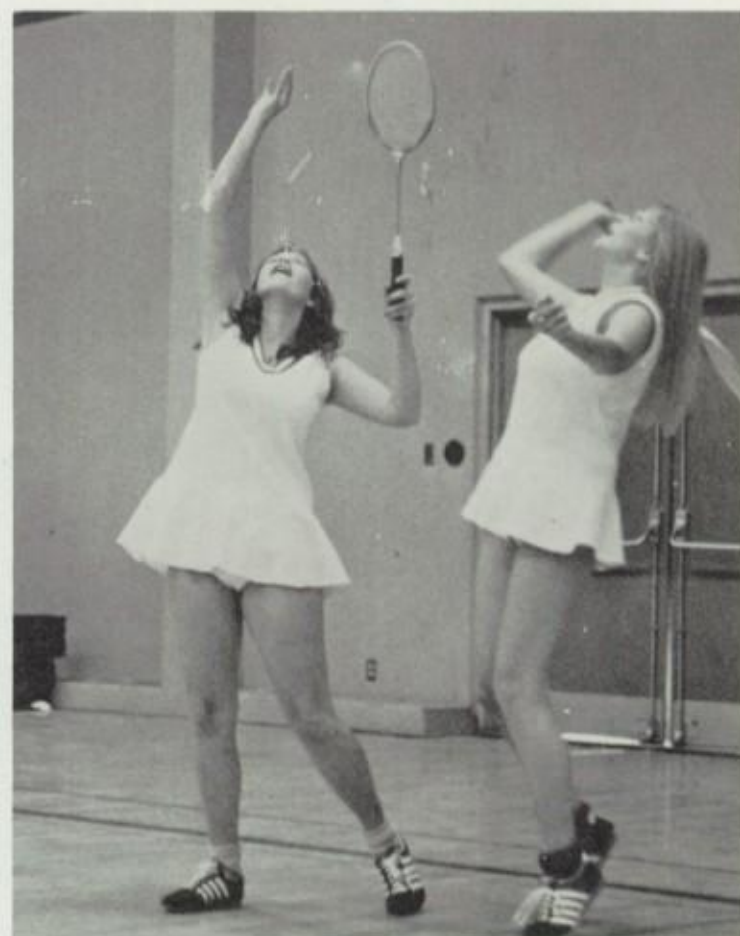

Gifted with many quality swimmers, this year's swimteam was lacking in numbers. Coached by Mr. Linn, the team worked out before and after school to improve their speed, stroke, and endurance. The Rebel team was led by Juniors, Sandy Beck and Suzanne Lamme, and Sophomore, Sandy Hayes. There were nine returning swimmers, four of which lettered varsity last year, these being, Shelly Hayes, Sandy Beck, Suzanne Lamme and Val Mejia. The Savanna team showed form and talent in all of their competition to make this a rewarding year.

Experience an Asset

Savanna's Softball team, under the coaching abilities of Ms. Creighton, had a lot of returning lettergirls, such as all-league, "Tiger" Love and Tina Rebai. With so many returning players, the key to their season was experience.

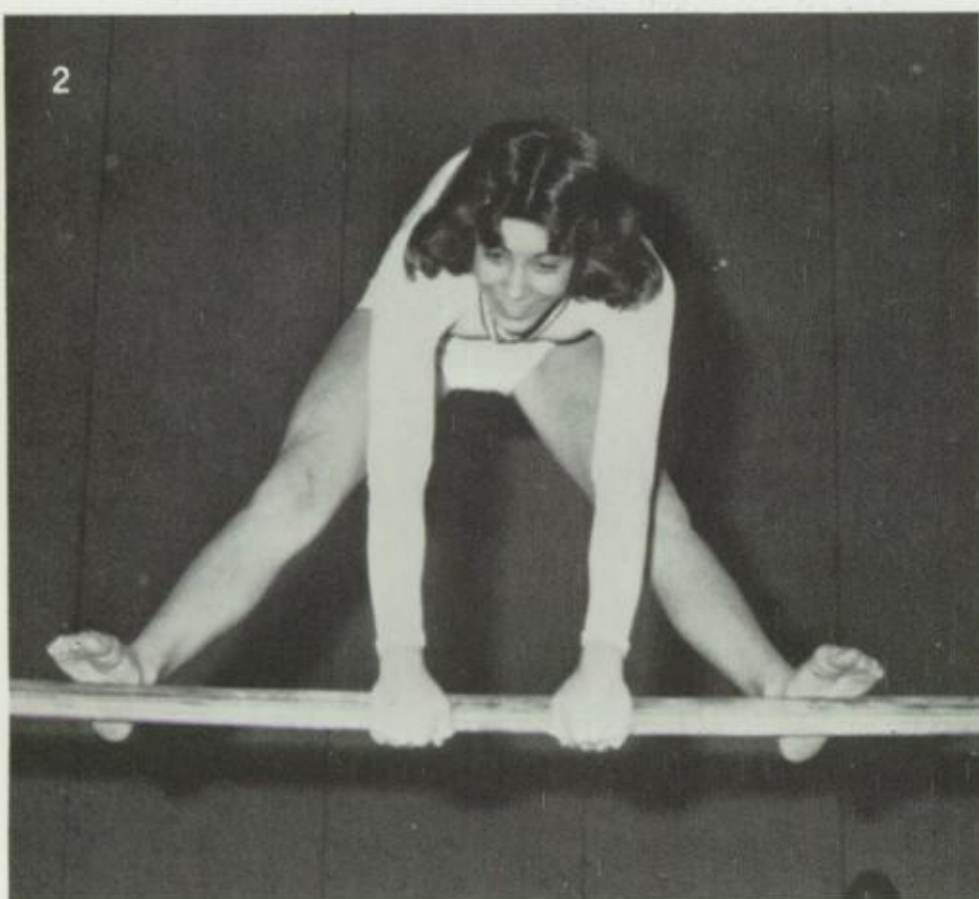

The Girls' Badminton Team started another season of tough competition, playing against such schools as Lowell and Troy. This year there were eight returning girls and a lot of promising new talent. So with experience and the prior training and conditioning, our Badminton Team went into their season ready for all challengers.

Graceful Energy

The Savanna Gymnastics Team went into league play ready for action this year being led by Sophomore, Betti O'Neal, and Junior, Amy Falardeau. Much support also came from returning Varsity members, Veronica Duarte and Mary Reimbold, and Sophomores, Barb Wickell and Adria Walsh. The events the team members competed in consisted of Balance Beam, the Vaulting Horse, Floor Exercise and the Un-even Parallel Bars. The team held their practices during fourth period with coaching coming from Mrs. Ring.

Outstanding '77-'78 Girl Athletes

The Savanna Girls' Athletics selected a girl from each grade level to spotlight as an Outstanding Girl Athlete of 1977-78.

Representing the seniors was Debbie Allison. Debbie lettered Varsity in volleyball during both her junior and senior years. She was named a most Outstanding Volleyball Team Player for Savanna in 1977, and was voted to the Freeway League's All-League Volleyball Team of 1977. In basketball, Debbie lettered JV as a junior and Varsity during her senior year.

Selected from the junior girls was Charlene Love. Charlene's sports activities included: volleyball, lettering JV as a sophomore and Varsity as a junior; field hockey, lettering Varsity in her sophomore year; basketball, lettering JV in her sophomore year and Varsity as a junior; softball, lettering Varsity for two years. Other athletic honors awarded to Charlene included: Outstanding Volleyball Team Player for 1976-77; Outstanding Sophomore Girl Athlete of 1976-77; and most Outstanding Basketball Player for 1977-78.

Barbara Wickell was chosen to represent the sophomore girl athletes. She started her sports career at Savanna by lettering JV in volleyball. Barbara then directed her time and skill towards gymnastics. Not only did she letter Varsity and receive the Outstanding Player Award in Gymnastics, Barbara used her knowledge and talent to help others. She spent many hours teaching gymnastics to young people for Parks and Recreation.

Congratulations from the Savannan '78 yearbook to these OUTSTANDING GIRL ATHLETES OF 1977-78!

Debbie Allison

Girl Athlete of the Year

Donna Miyasako received the highest honor awarded by the Savanna Girls' Athletic Department. This special recognition is given only when a senior girl has excelled in athletics for three years at Savanna, and has made other worthwhile contributions for Savanna and the student body.

Donna's sophomore athletic achievements included: volleyball, lettering JV and being named most Outstanding Player; basketball, lettering JV and awarded most Outstanding Player; field hockey, lettering Varsity named most Outstanding Player. Donna also received the Girls' Athletic Leadership Award for 1975-76.

As a junior, Donna's sports achievements included: volleyball, lettering Varsity and named most Outstanding Player; basketball, lettering Varsity. Donna was awarded the Outstanding Junior Girl Athlete of 1976-77.

During her senior year, Donna lettered Varsity in both volleyball and basketball. She continued to demonstrate leadership, spirit, and sportsmanship while spending much time and energy toward other school activities.

Donna contributed most of her work for Savanna voluntarily, without the benefit of special credit or recognition. She used her own time, receiving no grade, toward the Savanna '77 yearbook. She represented Savanna at the 1978 Student Council Leadership Camp. She spent untold time and effort producing a slide picture review of Savanna Life for 1977-78.

Because this page was created by the advisor of the yearbook, it seemed a good place to say, "Thank you Donna for having been great as Assistant Sports Editor and Photography Editor . . . not to mention the Outstanding job you did as Editor-in-Chief of the Savanna '78 yearbook!"

Congratulations to Donna Miyasako as the Savanna Girls' Athletics' **GIRL OF THE YEAR!**

Bob; As you know I could spend a lot of time
and space reminiscing about 'old times', but I
won't. Although we both know they were
fun. I hope we can still create
something to reminisce about!
Have fun over the summer and

Bob,
 To Miss Brown's favorite
 student. Well its
 been fun listening to
 all your smart
 remarks in English
 and I hope you
 didn't copy my test
 becuz I was only
 kidding I really
 don't get As on every
 test just most of
 them. Well have
 a fun summer and
 maybe I'll see you
 at a party or summer
 school. Love Dawn
 Wise

Bob,
 I'm really glad
 I met you this
 year. You're a
 neat guy and I
 hope to see ya
 next year. Have
 a great summer (In summer school).
 hope to see you this
 summer. Have fun
 in the year's to come.
 Jay Miller

Bob,
 I'm glad I met you this
 year. You're a Bitch
 summer. I don't like to
 much. Good luck forever.

close do.
You
love you
Hennie

Dear Mother
 I have just received
 your letter of the 10th
 and am glad to hear
 from you. I am well
 and hope this finds
 you the same. I am
 very much interested
 in the progress of
 your work and hope
 to hear from you soon.
 I am, dear Mother,
 ever your affectionate
 son,
 John

Bob,

I'm glad I met you
in Biology even though
the subject was boring.
You are a really sweet
guy. Have a great summer
and good luck in your
next 2 years at Savanna.

Love ya,
P.S. I hope you pass your
Biology final & the class!

Glad I got
to know ya! Thanks
for lending me money
when I needed some. Have
a nice summer and try not to
grow anymore. You're so tall!!
And rich!!
Party Hardy!!

Love,
Cathy Grumbatz "79"

Bab, Kelly,

well I hope
you are going to
behave after I have
left there will be
nobody to make it
you. Good ~~luck~~ ^{wish} in
the future, you are
a lot of fun to be
around.

Love
Cathy Grumbatz

Bob,

Dear Bobbie Babe!

How's it going? Well its been fun
this year. I havent it. You lucky
person, you got to meet me this
year. Ha! Not really. You a nice guy.
Even tho you tease me alot!

Oh well. I hope I'll see you ~~the~~
during the summer. I better. Any
maybe I'll go with you water
skiing if you'll let me!

Stay for being my friend!

Bye Love
R. Paul Johnson

Hope to
see you at
some dances!

BOB- WELL THANKS FOR LETTING ME SIGN YOUR

Bob, Have a great summer.
I'm really not sure what
you're doing but I hope you
write so I can see you sometime
maybe. Well, I got to go
see ya next year.
Brenda Waller

Bob,
It was fun having
Biology together. You're
a real nice guy & thanks
for ~~the~~ finding Shannon & I
a ride home that one day.
Have a terrific ~~summer~~ summer &
good luck in the future. Bye!

Boh,
Well - hope next
year you get Brown
again, just kidding.
Anyway have a fun
summer and stay
cool. And have fun with
all the girls that go
with you. By the way
at this annual who couldn't
miss all the girls
that signed it

Bye,
Have a good summer
and see ya next year
